# City of Sherwood

## City Council, Position 5

### Krisanna Clark

**Occupation:** Community Volunteer, Parent

**Occupational Background:** Insurance Adjuster & Supervisor, ACE Certified Fitness Instructor

**Educational Background:** B.S., Business Economics & English, 1991, Willamette University

**Prior Governmental Experience:** Republican Nomination for State Representative, District 26, 1992

**Community Involvement:** YMCA Board of Trustees 2006-2010, Sherwood Mom's Club-East, Give-N-Gobble volunteer, 2008-2010, Jr. Great books literacy leader, Archer Glen & Sherwood Charter School volunteer 2008-present, Faith in Action volunteer, ROCK faith leader, YMCA t-ball/basketball Coach, YMCA Family Triathlon, Healthy Kids Day, FFA Auctions, Refuge Tree Planting, Relay for Life, VPA & SFA performances/fundraising events, Robin Hood Festival, Summer Library Program, Friends of the Library book sale, Rebekkah Lodge volunteer.

**General Statement:**

I would like to continue the vision my late husband, Del Clark, & I have for the City of Sherwood by serving as a City Councilor. Del and I worked as a team to support the betterment of our community. I see this community strengthened by supporting City projects that encourage and enrich our business environment and support youth development. The strength of our community comes from resident's willingness to invest their interests in our local economy. Sherwood must attract and support businesses with tax incentives & fee structures that encourages economic growth and results in a reduction of tax reliance on residential. Sherwood must progress from a "bedroom community" and continue toward being a vital city where residents work, recreate and spend their time, resources and energy.

**Endorsed by:**

- Robyn T. Folsom, Member Sherwood City Council
- Linda Henderson, Sherwood City Council
- David Heironimus, Sherwood City Councilor 2001-2011
- Daniel King, former Sherwood City Councilor
- Dr. Scott Johnson, Oregon Hearing Solutions
- Dr. Ben Aanderud
- Ben Lapp, Ac'cent Signs
- Patti & John Barrow, Owner, Nature's Pet Sherwood
- Russell Griffin, Owner, Let's Make Music
- Sam Mangone, AAG Rotary
- Cindy Arave Christensen, President, Voices for the Performing Arts Foundation
- Jennifer Kuiper, former Parks and YMCA Board member, Active Sherwood Citizen
- Nancy J Ellingson, Chairman, Library Advisory Board
- Brian Stecher, City of Sherwood Parks and Recreation Board Member

## City Council, Position 5

### David C Luman

**Occupation:** Chief Executive Officer of CSI Digital and THE xBC

**Occupational Background:** Technology business owner

**Educational Background:** Portland State University  
University of Hawaii - Hilo

**Prior Governmental Experience:** City Councilor, Sherwood - 4 years; Interim City Councilor, Position #5, Sherwood - 2011; City Council liaison, Sherwood Parks Board, Sherwood Family YMCA Board - 4 years; Interim City Council Liaison, Sherwood Planning Commission, Sherwood Family YMCA Board - 2011; SURPAC Board - 2010

**Past Sherwood Community Service:**

- Sherwood Family YMCA, Executive Board, Site Committee, Treasurer - 5 years
- City of Sherwood Budget Committee - 3 years
- Sherwood Education Foundation Board - 3 years
- Rotary Club, Executive and Foundation Board - 5 years
- Chamber of Commerce Board, Past President - 3 years

**David says:**

Sherwood is a special place to live and work. The town is about families, schools, community, church and values. The Councilor's job is to work with the City to sustain our livability for Sherwood families and businesses.

Cities provide public safety, resident well being, livability, economic development and oversight of City infrastructure and assets. Projects underway in Sherwood must be carefully managed, completed on time, on budget and as planned. Citizens rely on solid, real world experience in their Councilors who in turn, work to find creative solutions, control costs and seek efficiencies that will preserve the very special nature of Sherwood, regardless of the economy.

**Sherwood City Councilors Endorse David:**

- Keith Mays            Mayor
- Dave Grant           Council President
- Bill Butterfield     Councilor
- Matt Langer          Councilor

**Keith Mays, Mayor, City of Sherwood says:**

"David brings depth, fiscal responsibility and energy to our City Council. He contributes previous Council, civic, committee and nonprofit expertise as well as business experience as the owner of a technology company."

Keep David on City Council. Keep Sherwood a great place to live!

# Clackamas Education Service Dist.

## Director, At Large

### Curtis (Dick) Smith

**Occupation:** Management Consultant and Writer; Director, Clackamas Education Service District

**Occupational Background:** Director of Employee Services, Multnomah County; Senior Vice President, Willamette Savings; Personnel Director, Fred Meyer

Savings; Personnel Director, Counselor, and Teacher, Bellflower Unified School District.

**Educational Background:** Loyola University of Los Angeles, English, BA, MA; University of California at Los Angeles, Education Management, Ed. D. (Doctorate)

**Prior Governmental Experience:** 1984-Present, Director, Clackamas Education Service District; 1987-88, Task Force Member, Governor's Commission on School Funding Reform; 1981-86, Director, Clackamas County Library.

#### What's an ESD?

Did you know that the Clackamas Education Service District (ESD) provides many educational and business support services to all 10 local school districts in Clackamas County? Each year, the districts' superintendents and teacher representatives review and help update our ESD service delivery plan. Then the 10 school boards independently vote their approval or disapproval. No other unit of government is examined annually by that many agencies!

#### Quality Service at Reasonable Cost

The ESD welcomes annual accountability to its customers and tax payers. Using highly specialized staff and centralized purchasing, the ESD delivers quality goods and professional services at group rates. Current services include testing and guidance for students with disabilities, teacher re-training, management information, printing, and specialized accounting services.

#### Also Serving Children with Disabilities

Most importantly, highly trained ESD teachers provide direct instruction to hundreds of our pre-school children, and to students with the severest physical and mental disabilities, grades K-12. To avoid costly capital investment, the ESD operates these classes in existing schools throughout the county.

#### Re-elect a Proven, Responsible Board Member

Keep the ESD's outstanding record of economy and service to our children by re-electing Curtis (Dick) Smith. As an honors doctoral student, as an experienced educator, and as a successful manager in both the private and public sectors, he has demonstrated the skill we need to continue our ESD's success. Vote for Curtis (Dick) Smith. Questions? E-mail me at [crsoregon@aol.com](mailto:crsoregon@aol.com).

# Tigard-Tualatin School District

## Director, Position 2

### Robert (Bob) Smith

**Occupation:** Regional Security Manager, Kaiser Permanente

**Occupational Background:** Independent Consulting (Transition period after move to Oregon); Regional Security Manager, The Vanguard Group; Event Security Manager, Total Events and Management; Arizona Security Manager, AVNET

Inc. Chandler, Arizona; Intel Account Manager, Pinkerton Security Services Phoenix, Arizona; Chief of Security Operations, Allied Signal Aerospace Phoenix, Arizona; Chief of Investigations, Sentry Security Co. Huntington, West Virginia; Chief of Police, City of Barboursville, West Virginia

**Educational Background:** Western International University, Business Management, BS

**Prior Governmental Experience:** Board Member, Oregon Department of Public Safety Standards and Training Private Security Investigators Policy Committee. Chief of Police, City of Barboursville, West Virginia

My vision for the students of this district is to have a full educational experience including high academic achievement and participatory involvement with music, the arts, sports, vocational and social skill opportunities. We must ensure that we have the correct teacher to student ratio allowing for the best learning environment available. Our teachers must have the support to maintain leadership and control in our classrooms and to minimize or remove disruptions which adversely affect the learning environment. I do not support funding for special interest programs during financially difficult times as we must utilize our educational funds to provide superior teaching in a safe and clean facility.

*(This information furnished by Robert Smith)*

The above information has not been verified for accuracy by the county.

## Director, Position 4

### Terri Burnette

**Occupation:** Director - Southwest Preschool, 1997-Present; Classified employee - TTSD, 2007-Present; Treasurer - THS Band Boosters, 2010-Present

**Occupational Background:** CF Tigard Elem PSO President (2001-2003), Vice-President (1999-2001), Treasurer (2005-2007); CF Tigard

Elem Site Council (2003-2005); Classroom volunteer, 1997-Present; Fowler Middle School PSO 2008-2010; CF Tigard Auction Committee, 2002-2008; TTSD Foundation Auction Committee, Tigard High School Band Boosters 2010-present

**Educational Background:** Columbia Christian College, Education, BS

**Prior Governmental Experience:** None

#### Commitment

I am committed to the Tigard-Tualatin area having attended Tigard public schools myself. Completing my Education degree, I remained in the area and am raising my four sons here - all attending the schools that I attended. I have been active in improving the community by volunteering in the schools, helping the TTSD Foundation with fundraising, helping needy families through my church and directing a private not-for-profit preschool.

#### Perspective

I have a broad perspective on the challenges facing our school district. As a classroom volunteer, I have seen the importance of a healthy relationship between the classroom teachers and the parent community. As a Parent Support Organization Board member I have helped raise funds to enrich the educational opportunities of the schools. As a site council representative I was involved in the planning at the school building level. As a part-time district employee I have worked in all of the elementary schools. I have been on district level committees including budget planning input, school building planning and a principal search committee.

#### Common Sense

As a preschool director I know the importance of using resources wisely. I know the tax-paying community expects their tax dollars to be used to maximize teacher-student time. Over the years I have been involved in many discussions with individuals and groups with very different interests and agendas and know how to listen effectively, understand the facts and then recommend a course of action. I have developed good relationships at the classroom, school administration and the district levels and can bring together stakeholders to work on solutions.

*(This information furnished by Terri Burnette)*

The above information has not been verified for accuracy by the county.

# Tigard-Tualatin School District

## Director, Position 4

### Jill Zurschmeide

**Occupation:** Editor

**Occupational Background:** Instructional assistant, writing instructor, and technical editor.

**Educational Background:** Grinnell College, BA; University of Minnesota, MA.

**Prior Governmental Experience:** Tigard-Tualatin School Board member since 2007.

#### An Experienced Advocate for Kids

I have served on the Tigard-Tualatin School Board for four years. When I ran in 2007, I promised to focus the district's efforts and money where they do the most good for our students.

The last four years have presented many challenges, and I am proud of the way the school board has met them. When the recession hit, we spent our rainy day fund exactly as the community intended: We protected our educational programs from excessive cuts, we protected our staff from widespread layoffs and furlough days, and ultimately, we protected the quality of our kids' educations. Our district stands out among the surrounding districts because of our prudent fiscal planning.

During my tenure, I worked to ensure that our district uses energy and natural resources efficiently. Last year, the district saved over \$200,000 as a result of those efforts. The money saved through these efficiencies can now be spent directly in the classroom, on students and learning.

I am proud that our board has worked to close the achievement gap and increase the average achievement level of all students. We are working hard to ensure that each child graduates with the skills necessary to be an active and successful contributor to our society.

I have been chair of the board for two years, and vice-chair for one year before that. With the full force of the recession hitting our schools, the district and the community need experienced people in place to be ready for whatever challenges loom on the horizon.

I am actively involved in the business of our schools, I understand the issues we face, I have kept my promises, and I am committed to the success of our students. I respectfully request your vote to continue serving our community and our children.

*(This information furnished by Jill Zurschmeide)*

## Director, Position 4

### Gordon Fiddes

**Occupation:** Small Business owner for 28 years: Image Restoration, Inc. CCB#108383

**Occupational Background:** Gordon worked different jobs to pay for college and settled into his own business after graduating.

**Educational Background:** Temple Christian High School,

Valedictorian, 1977; University of Michigan, Dearborn, Engineering (one year); Arlington Baptist College, Bible/Elementary Education, BS, magna cum laude, 1982

**Prior Governmental Experience:** MITCH Public Charter School Board: Serving third term

TTSD is here to educate children. Parents need access to more educational options within the public school system to discover their children's best learning path. Everyone needs to master reading, writing, and arithmetic. Technology has opened many doors once only available to the most privileged. Today, TTSD students are learning beyond books and the classroom. School should be interesting and challenging, to allow students to reach their full potential.

Art, music, science, sports, speech, programming, shop, theatre, and so many other programs provide personalized opportunities for learning discipline and dedication that keeps many students engaged, able to master the three R's, and ready for college and employment.

#### Gordon Fiddes

**I am a dedicated local public school board member, and ask you to promote me to serving the entire district.** I will work to expand the options available to our students and see they obtain a world-class education.

Debrah and I have been married nearly 25 years. Our children attend TTSD elementary, middle school, and high school. Our oldest son, Stephen, is a graduate of Tigard High School, working locally and serving in the Oregon National Guard.

We have been living in one of the best school districts in Oregon for 17 years. TTSD is a recognized leader. Your input is always welcome and necessary for continued success.

# Sherwood School District

## Director, Position 1

### Kevin Noreen

**Occupation:** Development Review Supervisor, Department of Transportation and Development, Clackamas County

**Occupational Background:** Development Review Coordinator, Clackamas County; Planner, Clackamas County; Attorney, Sole Practitioner, Seattle, WA; Law

Clerk, U.S. Federal District Court, Tacoma, WA

**Educational Background:** Seattle University School of Law, Juris Doctor; Lewis & Clark College, Communications, BA

**Prior Governmental Experience:** Sherwood School District School Board, Director 2003-Present; Oregon School Board Association, Legislative Policy Committee 2006-2008; Sherwood Middle School Site Council, Member 2002-2003

It has been a privilege to serve you as a member of the Sherwood School Board for the past 8 years. The Sherwood School District is one of the top school districts in Oregon. As a Board Member, I will continue to work hard every day to keep our schools "A Great Place for ALL Kids."

During my service on the Board, I have worked with teachers, staff, administrators, students, parents and community members to:

- increase student achievement

- oversee the careful spending of your tax dollars

- provide our students with the best educational system in the state

Student achievement continues to be our primary focus as a school board. I am committed to working with teachers, staff and administrators to:

- raise student achievement in all grades

- prepare our students to become productive members of the community after they graduate from Sherwood schools

My family has lived in Sherwood for 13 years. My wife Kate and I chose to raise our family and educate our kids in Sherwood because of its reputation for excellent schools and a family oriented community. I will continue to promote those values as a member of the Sherwood School Board for the next four years. I ask for your vote. Please join me to ensure that the Sherwood School District continues to be "A Great Place for ALL Kids."

*(This information furnished by Kevin Noreen)*

## Director, Position 1

### Scott C Haynes

**Occupation:** Account Manager, Outside Sales for Empire Batteries

**Occupational Background:** None

**Educational Background:** Sherwood High School, General, HS Diploma; Portland State University, Political Science, BS

**Prior Governmental Experience:** None

Our children are the future and teachers are our most important asset for them! Teachers' work demands both careful and comprehensive use of budgets, and strategic use of assets that can be developed beyond the classroom.

- Community-based experiences energize and enhance our teacher's classrooms
- Technology to give teachers more time to teach
- Added resources expand classroom essentials with job skills for a prosperous future

We need to be realistic and creative to face a challenging future. We will be asked to do more with the same or fewer dollars. Student needs are changing dramatically as workplace competition intensifies.

We know that the best students are the product of the best schools and a committed and dynamic community.

Creative Sherwood enhancements like Career Quest, PCC class access and Independence Academy, and community events and service clubs, can enhance teacher's effectiveness by bringing curriculum to life. The home building program builds houses, and importantly, builds students' marketable skills for a solid future. The Community Center should leverage students' artistic and musical aspirations with the skills invested by their teachers.

We all recognize the need for fiscal responsibility to support in the best people and practices so we may continue to produce the best students. I want to bring my energy to planning far into that future.

I ask for your vote for Sherwood School Board. A resident of Sherwood for 23 years and graduate of Sherwood High School, I have seen our community and schools grow and prosper. As we have children, my fiancé and I want them to enjoy the same quality of education we enjoyed.

I am interested in your questions, comments and views. email: [vote4haynes@gmail.com](mailto:vote4haynes@gmail.com), visit my Facebook page: "Friends of Scott C. Haynes." Please include your contact information.

Endorsements:

Allen Huggett, School Principal (Retired)

Peter (P.J.) Dyke Jr., 2011 Mr. Bowman

<p><b>Director, Position 5</b></p>	<p><b>Commissioner, Position 5</b></p>
<div style="display: flex; align-items: flex-start;">  <div style="flex: 1;"> <p><b>Sue Hekker</b></p> <p><b>Occupation:</b> Veterinary Account Manager Procter &amp; Gamble, 2010-Present;</p> <p><b>Occupational Background:</b> Sales Representative Schering Plough Corporation, 1999-2010; Sales Manager/Sales Representative, BT Office Products, 1995-1999; Sales Representative Tab Products Corporation, 1990-1995;</p> <p><b>Educational Background:</b> University of Portland, MBA 1997; Linfield College, BA 1989; Aloha High School, Diploma 1985</p> <p><b>Prior Governmental Experience:</b> Sherwood School District Board of Directors Position # 5, 2007 - Present</p> <p>My family and I have called Sherwood home for 15 years. I've been honored to serve on the Sherwood School Board for the past four years. During this time, I've helped shepherd the district through much change. We built and opened a new elementary and middle school and greatly expanded the high school. We implemented new reading, writing, and math programs. We created a higher "Sherwood Standard" that raised the expectation for Sherwood student achievement. Additional course offerings and rigor have also been added to Sherwood academics. If reelected, I would maintain momentum on these programs and pursue smaller class size and expanded opportunities to meet the wide variety of students in our district. Funding will continue to be an issue, and I intend to use every dollar entrusted to the district as efficiently as possible. My goal is to fully prepare every Sherwood student for the opportunities that await them after high school. Please help me continue this important work by voting for Sue Hekker for school board.</p> <p><u>Sherwood School District Experience:</u>                      Board of Directors - 2007- present                      Sherwood Education Foundation board member - 2007 - present                      Bond campaign - 2006                      Budget committee - 2005 - 2007                      Long-range planning committee - 2004                      Regular volunteer at nearly all Sherwood schools</p> <p style="text-align: center;"><i>(This information furnished by Sue Hekker)</i></p> </div> </div> <p style="text-align: center; margin-top: 20px;"><i>(This information furnished by Sue Hekker)</i></p>	<div style="display: flex; align-items: flex-start;">  <div style="flex: 1;"> <p><b>Jim Doane</b></p> <p><b>Occupation:</b> Retired Civil Engineer; Community Volunteer; Part-time Engineering Consultant</p> <p><b>Occupational Background:</b> Tualatin Valley Water District (TVWD) Commissioner; Retired Chief Engineer, City of Portland Water Bureau</p> <p><b>Educational Background:</b> UCLA, Engineering, BS; California State University Long Beach, Civil Engineering, MSCE</p> <p><b>Prior Governmental Experience:</b> Past member: Oregon Seismic Safety Policy Advisory Commission; Currently: Oregon Board of Examiners for Engineering and Land Surveying</p> <p>Jim has been a Board Member of TVWD since 1998.</p> <p>Jim and his family have enjoyed the benefits of living in the TVWD for over 35 years. In 2002, Jim retired from an engineering career in water resources. Among his responsibilities was the supervision of award winning residential and commercial water conservation programs and protecting water systems against disruption by natural and human caused events. Jim was "Oregon's Government Engineer of the Year" for 2001.</p> <p>Jim is a volunteer counselor at several non profit youth camps.</p> <p>Jim knows that over the next four years TVWD will face critical decisions such as:</p> <ul style="list-style-type: none"> <li>• <b>Water Quality</b>---It is necessary for TVWD to review the existing and proposed water quality standards set by the EPA and the Oregon Health Division to see if they provide sufficient protection, especially for young children. If they do not, then TVWD must set more stringent standards.</li> <li>• <b>Water Quantity</b>---Intelligent water conservation is the key to ensuring a secure cost-effective future supply. In addition to an aggressive conservation program, the District has done an excellent job in planning for long term supply including the expansion of Hagg Lake. The District's study of the impact of climate change shows the need for continuing evaluation of expanding existing sources while searching for additional opportunities.</li> <li>• <b>Water System Security</b>---As a past member of the national Critical Infrastructure Protection Advisory Committee for Water and Wastewater, Jim knows what should be protected and how to provide that protection efficiently.</li> <li>• <b>Affordable Water</b>---Jim will continue to work for reasonable water rates.</li> </ul> <p><b>For further information visit <a href="http://www.supportjimdoane.org">www.supportjimdoane.org</a></b></p> <p><b>For all of these reasons, reelect Jim Doane to the TVWD Board.</b></p> <p style="text-align: center;"><i>(This information furnished by Jim Doane)</i></p> </div> </div>

# Tualatin Valley Water District

## Commissioner, Position 4

### Richard P Burke

**Occupation:** Information Consultant and Public Policy Advocate, 2000 - present.

**Occupational Background:** Computer Network Consultant, 1989-2001.

**Educational Background:** B.S., Social Science, Portland State University, 1989.

**Prior Governmental Experience:** Elected TVWD Commissioner, 1999-present, served six years as board president; Chair, Bull Run Regional Drinking Water Agency, 2002; Legislative assistant, Oregon state senate, 2001; Elected Local School Committee, Beaverton School District, 1994, 1997.

#### RE-ELECT RICHARD P. BURKE "PROVEN PERFORMANCE"

##### • Continuity and Stability

In working to develop Hagg Lake as a second major source of water, TVWD is taking a big step to protect the region from natural disasters and other hazards. It will save ratepayers billions of dollars over the next twenty years, secure more world-class water, attract more family-wage jobs, and secure our region's economic independence. I've been working on this very important project as a board member since 1999, and I plan to use my experience to see it through for the benefit of us all.

##### • Saving Ratepayers Money

I took the lead in weaning TVWD completely off property taxes. Operations are now funded entirely by water rates, not property taxes. We've kept water affordable while improving conservation, water quality, sustainability practices, and our delivery network. If re-elected, I will continue supporting these policies.

##### • Responsive to the People

When TVWD considered building the Willamette River Water Treatment Plant as a potential supply source, I voted against it for lack of adequate public input. On all issues, as board president, I extended testimony time for each person from the standard three to five minutes. I've presided over dozens of public hearings on conservation, fluoride, water safety, and many other issues. I have always remembered that commissioners represent ratepayers and work for the public.

**It is an honor representing you as a TVWD commissioner.** If re-elected, I will continue working with our award-winning staff to secure clean, safe and affordable water for ourselves and future generations. Thank you.

## Commissioner, Position 4

### Eric D Squires

**Occupation:** Insurance Producer, Paul Jeffries State Farm Agency, Tanasbourne Oregon

**Occupational Background:** VP, Sales & Marketing, Orion Expo Services; Management, Burrito Burrito Inc. & Zing Incorporated; Pro Audio Sales & Production Manager, SuperDigital Ltd.; Nutrition Sales, Fred Meyer, Inc.

**Educational Background:** Train Agents, Oregon Real Estate Broker, Certificates; PCC, Economics, Environmental Education, AGS, PTK Honors Branded Diploma; Insurance Training Associates, Property, Casualty, Health and Life License Prep, License; Kaplan, Series 6 & 63 Securities; University of Oregon, Economics; Lane Community College, Business

**Prior Governmental Experience:** Chair, Citizen Participation Organization, District 6, serving sixth term; U.S. Dept. of Commerce, U.S. Census; Winkleman Park Task Force

#### Eric Squires: Community Leader, Effective and Re-Elected

#### Endorsed by: Oregon League of Conservation Voters

**What I offer is the ability to build consensus, form working groups, and achieve results.** Please consider my experience building community interaction through CPO, District 6, **Aloha, Reedville, Cooper Mountain:** [www.CP06.com](http://www.CP06.com) My constituents now enjoys five **ACTIVE** committees I created to direct volunteer efforts as CPO 6 Chair, including:

**Aloha Library Committee:** [www.alohalibrary.com](http://www.alohalibrary.com)

**Tiger II Grant Committee:** [www.tiger2grant.com](http://www.tiger2grant.com)

**Code Enforcement Committee:** [www.alohacode.info](http://www.alohacode.info)

**Aloha Business Association Committee:**  
[www.AlohaBusinessAssociation.com](http://www.AlohaBusinessAssociation.com)

**Bike & Pedestrian Committee**

**Tualatin Valley Water District faces amazing opportunities and challenges in the coming years, and a leader who consistently builds partnerships and facilitates collaboration is essential. We must continue maintaining the low and equitable rates to both business and residential water users.** With five years and counting of leadership reaffirmed by re-election to CPO 6, relationships with these districts have been built, and more importantly, maintained.

**District ratepayers should make the change to me, Eric Squires, and enjoy a new focus on partnerships and policy direction.** We must investigate all water source and conservation options. That requires management of complex partnerships and citizen involvement. An experienced team builder and involvement facilitator will best manage this set of issues. **I offer a track record of collaborating with citizens, service districts, cities, counties, the state and federal government and I, Eric Squires, respectfully ask for your vote!**

# Tigard-Tualatin Aquatic District

## Director, Position 4

### Michael T Daily

**Occupation:** Structural engineer with Lewis and Van Vleet, Inc., Tualatin, OR

**Occupational Background:** Associated Consultants, Inc., Portland, OR; Web Steel Buildings, Sandy, OR; James G. Pierson Engineers, Portland, OR

**Educational Background:**

Oregon Institute of Technology, BSCET with Structural major.

**Prior Governmental Experience:** Precinct Committee Person - 2 years.

I am a structural engineer who has worked in this field since graduating from Oregon Institute of Technology in Klamath Falls, OR. I currently work for a local engineering firm in the Tualatin area for the past 4 years. I have also worked for several consulting firms and a metal building manufacturer in the years prior. At these firms I have managed projects and with the metal building company I managed the engineering department. I have been involved in many various grassroots organizations and currently chair one organization and help co-lead another. I have been a Precinct Committee Person for 2 years now in the Tualatin area and have been very active with that as well. I am active in a local church in the Tualatin area and have lead some men's study groups for years. I have two wonderful daughters and now am a grandpa of an awesome grandson and love spending time with them. And one day I want to take my grandson to the Tualatin swimming pool and enjoy the chance to swim and play. And because I work in the Tualatin area I felt it was time to give back to the community by running for the Aquatic District position.

**Occupational Background:** Warehouseman; High School Science Teacher

**Educational Background:** BA, Denison University; MAT, University of Chicago; JD, Lewis and Clark Law School

**Prior Governmental Experience:** Director, Tigard-Tualatin Aquatic District 2010-2011

**Qualifications**

I have been actively involved with pool-related activities for 14 years including:

- Aquatic District Director
- Swim Club Treasurer and President
- Swim Meet Official
- Lap Swimmer

**Accomplishments**

I am one of the 5 Directors who organized the Aquatic District following voter formation of the District in May 2010.

**Objectives**

- Provide a safe pool environment;
- Provide for fiscally sound pool operations, including timely maintenance;
- Expand programs to maximize pool use; and
- Provide equitable access to all community user groups.

# Tualatin Valley Fire & Rescue

## Director, Position 4

### Randy Lauer

**Occupation:** American Medical Response

**Occupational Background:** Buck Medical Services/American Medical Response 1981-present: Paramedic, Supervisor, Training Officer, Manager. U.S. Coast Guard: 1975-2007 Retired Master Chief

**Educational Background:** Howard High School, High School, Diploma; Oregon Health Sciences University, Advanced Paramedic Training, Certificate; Portland State University, General Coursework

**Prior Governmental Experience:** Tualatin Valley Fire & Rescue Board of Directors Position #4; Tualatin Valley Fire & Rescue Budget Committee

In January, I was selected by the Tualatin Valley Fire & Rescue (TVF&R) Board of Directors to complete the term of retiring board member Carol Gearin. Now I am asking for your vote so that I can continue to serve in this role.

As a District resident for thirty years, I have seen TVF&R respond effectively to the changing needs of our communities, with a careful eye to financial health and responsibility. My personal and professional background prompted me to want to get involved with the organization, and last year I joined the District's citizen budget committee. That experience convinced me that I wanted to increase my volunteer contribution.

If elected, I will work cooperatively with the Board of Directors and the Fire Chief to keep TVF&R on a sustainable, forward-thinking course. With 30 years of experience in Emergency Medical Services (EMS) as paramedic, training officer, and manager, I am familiar with the work that accounts for 85 percent of TVF&R's emergency calls.

In addition to my EMS background, I retired as a Master Chief from the Coast Guard following 32 years of active and reserve duty focused on response and rescue. I have also responded to five hurricanes, beginning with Katrina, as a member of an incident management team responsible for EMS response.

We are fortunate to have TVF&R personnel working daily to enhance the safety of our communities. I would welcome the opportunity to add my experience to an already talented Board of Directors to help ensure this critical service continues.

Endorsed by the Tualatin Valley Firefighters Union, IAFF Local 1660

## Director, Position 5

### Brian J Clopton

**Occupation:** Private business owner

**Occupational Background:** Construction company owner for over 26 years

**Educational Background:** No formal college education

**Prior Governmental Experience:** Board of Directors for Tualatin Valley Fire and Rescue (1998-2011)

**Through twelve years of service on the Board of Directors for Tualatin Valley Fire and Rescue (TVF&R),** Brian Clopton has championed smart financial management, excellent customer service, and "small town" connections between fire stations and their communities.

**As a life-long resident of the fire district,** Brian has seen enormous growth in the communities TVF&R serves. As needs for emergency services have changed, Brian has insisted that TVF&R evolve to meet those needs. A recent example is the deployment of one-person units as an effective and cost-saving strategy for addressing non-emergency calls.

**Brian works to maximize every dollar.** Long before these tough economic times began, Brian and other Board members made conservative financial management a key priority. Today, TVF&R enjoys the strongest financial rating of any fire district in the country.

**As a private business owner working in construction for over 26 years,** Brian's insights have played an important role in the success of TVF&R's voter-approved bond program. In the past three years, four stations were constructed, two were remodeled, and a new Command and Business Operations Center completed: all on schedule and within budget.

**Brian understands and is respected by firefighters** because he has taken the time to get to know them and understand their work. He is a steady contributor to a sense of teamwork at TVF&R, while also insisting that people constantly get better at what they do.

Brian is endorsed by the Tualatin Valley Fire Fighters Union,  
IAFF Local 1660  
Rocky L. Hanes, President

# Washington County Fire District #2

## Director, Position 1

### Peggy Halley

**Occupation:** Firefighter/Battalion Chief - 27years paid experience, Lake Oswego Fire Department

**Occupational Background:** Firefighter - 5 years non-paid experience; Portland Community College - Adjunct Instructor, 3 years

**Educational Background:**

Portland Community College, Fire Science, AA

**Prior Governmental Experience:**

Board Member and President - Kiwanda Shores Maintenance Association, Pacific City, OR. Board Member- Oregon Safety Officers Association (Fire Department Safety Officers Section of the Oregon Fire Chiefs Association)

I have lived in the Washington County Fire District #2 area for 20 years. I believe in serving and giving back in the community in which I live. If elected the Board of Directors I will serve with integrity, honesty and fiscal responsibility.

*(This information furnished by Peggy Halley)*

The above information has not been verified for accuracy by the county.

## Director, Position 1

### Bob Horning

**Occupation:** Private Park Owner; "Horning's Hideout"

**Occupational Background:** Fisheries Manager; Logger; Postal Worker; Rancher; USAF

**Educational Background:** Hillsboro High School (Oregon), Grades 1 - 11; Medical Lake High School (Washington), High School; USAF Training

**Prior Governmental Experience:** Washington County Fire District #2 Budget Committee 2007 - 2009; Washington County Fire District #2 Board 2009 - 2011; Glencoe Interchange Committee

Except for the 4 years I was in the Air Force I have lived my life in our community. Living, working, running a rural business and being involved in our community has given me a well rounded perspective of what is needed in our fire departments. I have served our community through being involved in both the North Plains and Hillsboro Chamber of Commerce's, served on the Glencoe Overpass committee, served on the Washington County Fire District #2 budget committee from 2007 to 2009, and have been in the current Director/Board Position #1 since 2009. Additionally, my family has also been involved, with my brothers having served as firemen for Washington County Fire District #2 beginning in 2003.

I wish to continue to serve our community to help ensure that our fire department continues to serve us with both the quality of service and the fiscal responsibility that we all have come to enjoy. I humbly ask for your vote. Thank you.

# Newberg School District

## Measure No. 36-147

### Ballot Title

#### **Newberg School Bond to Upgrade Schools and Equip Classrooms**

**Question:** Shall Newberg School District upgrade and equip schools, classrooms, textbooks and technology by issuing \$27,144,286 in general obligation bonds? If the bonds are approved, they will be payable from taxes on property or property ownership that are not subject to the limits of sections 11 and 11b, Article XI of the Oregon Constitution.

**Summary:** Federal stimulus funds have been awarded to the District that are projected to pay substantially all the interest on \$15 million of the bonds, saving taxpayers approximately \$4 million in total interest cost.

Passage of this measure would provide funds to:

- Upgrade school facilities including replacing roofs and boilers, flooring and outdated electrical systems
- Install energy updates by replacing low efficiency lighting, windows, heating and ventilating systems
- Update technology for student learning
- Purchase textbooks and classroom materials
- Build classroom space for online and alternative learning programs
- Renovate and furnish existing space for classrooms and high school cafeteria
- Install security systems, cameras and intercoms
- Pay associated bond issuance costs

Bonds would mature in 10 years or less from the date of issue and may be issued in one or more series. Repayment is structured so new residents will assist in paying bond.

- **Install energy upgrades** by updating electrical systems, lighting, windows, heating and ventilating systems.
- **Update and equip classrooms** by purchasing textbooks and classroom equipment, replace aging technology, renovate existing space for additional science and technology classrooms, and build classroom space for online and alternative learning programs.
- **Increase school security** by installing additional cameras, replacing intercoms and security systems.

#### **This bond would cost:**

The bond would not exceed \$27,144,286 million. Property owners would pay approximately 95 cents per \$1,000 of assessed property value over the life of the bonds, which is 10 years or less. (\$190 per year on a home assessed at \$200,000.)

Because the 1993 bond expires, the combined new and existing rate would mean a reduction of 85 cents per \$1000 of assessed value, or \$170 less per year than the current tax bill on a home assessed at \$200,000.

Levy rates may vary depending on interest rates, growth in the District's total assessed value and other factors. Repayment would be structured so new residents would assist in paying the bond.

Submitted by:  
Paula A. Radich, Ed.D  
Superintendent

### Explanatory Statement

This Newberg School District measure is on the ballot due to:

- **Facilities Report identifies major repairs and energy inefficiencies**

A 2010 Facilities Task Force reported that major repairs such as replacing roofs and boilers would be required at some schools. The report also stated that the installation of energy-efficient lighting, windows, heating and ventilating systems would reduce utility costs.

- **Taxpayers projected to save substantially all of the interest on \$15 million**

The school district has been awarded an allocation of subsidized bonds in which it's projected that the federal government will pay substantially all of the interest on \$15 million in bonds. This would save Newberg taxpayers approximately \$4 million.

- **Taxpayers would pay less than their current property tax rate.**

The Newberg school tax rate decreases when the 1993 bond that built Antonia Crater and Chehalem Valley Middle schools retires in 2012. The combined new and existing rate would be lower than the current rate.

- **Building now would lower financing costs**

Current interest rates would allow the district to finance construction projects at a lower cost than if construction occurred at a later date.

The bond measure would:

- **Address maintenance and repair of school facilities** including replacing roofs and boilers, heating and ventilating systems, flooring and electrical systems, and track and field repairs.

No Arguments in Favor/Opposition to this measure were filed.

# Tigard-Tualatin School District

## Measure No. 34-188

### Ballot Title

#### **Tigard-Tualatin School Bonds for Facility Repairs, Updates, Textbooks, Technology**

**Question:** Shall district repair, construct, update facilities; purchase textbooks, science materials; upgrade computer technology and issue \$20 million in bonds? If the bonds are approved, they will be payable from taxes on property or property ownership that are not subject to the limits of sections 11 and 11b, Article XI of the Oregon Constitution.

**Summary:** This measure would provide funds for repairs and updates to district facilities including:

- replacing or repairing roofs;
- repairing and updating electrical, lighting, energy and heating and ventilation systems;
- replacing leaking windows;
- replacing some floor coverings, equipment and furnishings in older buildings;
- constructing a small facility for bus parking;
- repairing exterior pavement and repairing or resurfacing school tracks;
- updating handicapped accessibility at all schools;
- installing emergency lighting.

It would also provide funds for:

- replacing textbooks and science materials;
- replacing and upgrading computer technology for all schools in the district.

The cost is expected to be about 36 cents per \$1,000 of assessed value or about \$6 per month for a home assessed at \$200,000.

The bonds would be repaid in 6 years. If approved in May, \$10 Million of the bonds would qualify for interest-free financing which would reduce the cost to taxpayers.

- Using bond dollars to pay for these facility repairs, improvements, technology and curriculum materials would make it possible to complete deferred projects while allowing more of the district's operating budget to be used for classroom instruction and to keep class sizes smaller.
- For property owners, the cost of this \$20 million bond measure is expected to be about 36 cents per \$1,000 of assessed value or about \$6 a month on a home assessed at \$200,000.
- To reduce interest costs, this bond measure would be repaid in 6 years. If approved at the May election, \$10 million of the bonds would qualify for interest-free financing which would also reduce the cost to taxpayers.

Submitted by:  
Jill Zurschmeide  
Tigard-Tualatin School District

### Explanatory Statement

• This measure would fund repairs and improvements that have been postponed due to budget reductions. It would also pay to replace outdated textbooks and for computer technology replacement and upgrades.

Repairs, updates and replacements would include:

- Roofs at two schools would be replaced to prevent structural damage. Portions of roofs at other schools would also be repaired.
- Repairs and updates would be made to electrical, lighting, energy and heating and ventilation systems throughout the district.
- Some floor coverings, equipment and furnishings would be replaced in older buildings.
- Handicapped accessibility would be updated at every school.
- Leaking windows would be replaced.
- Emergency lighting would be installed and exterior pavement would be repaired.
- A small facility would be constructed for bus parking.
- Tracks at several schools would be resurfaced or repaired.
- Textbooks and science materials would be replaced.
- Computers and computer technology would be replaced and upgraded for all schools in the district.

No Arguments in Opposition to this measure were filed.

# Tigard-Tualatin School District

## Measure No. 34-188

### Argument in Favor

#### **Yes on 34-188 Improves Tigard-Tualatin Schools and Educates Our Children for the Future**

##### **Science & Technology Education for Every School**

Our children need a solid foundation in technology and science to be prepared for the future in our global economy. To do this, we need up-to-date science textbooks, equipment and technology in our classrooms. Measure 34-188 makes science and technology a priority for Tigard-Tualatin Schools.

It will provide EVERY school in the district with updated computers, improved technology, and new science textbooks and materials. All 12,400 students in the Tigard-Tualatin School District will benefit from these resources.

##### **Safe, Well-Maintained Classrooms**

Measure 34-188 will fund facility repairs that have been delayed because of school district budget cuts. Roofs must be replaced or repaired to prevent structural damage. Lighting, electrical and heating and cooling systems need repairs and energy-efficient upgrades. Worn-out flooring, equipment and furnishings in older schools need replacement. These repairs must be made now to protect our investment in our schools.

##### **Help Keep Class Sizes Small & Focus on Instruction**

By using bond funds to pay for technology and updated science materials, more of the district's general fund budget can be focused on instruction and keeping class sizes smaller. Tigard-Tualatin students benefit in two ways: facility, technology and science improvements AND less pressure on class size.

##### **Good Schools & Communities, Better Property Values**

Finally, quality schools not only prepare our children, they make our communities desirable places to live. This benefits everyone through stable property values, community pride and greater support for our children's education.

##### **Join Us in Voting YES on Measure 34-188**

Kevin Curry, parent and Tigard-Tualatin Budget Committee Member  
Jan Kittelson, grandparent and Tigard-Tualatin Budget Committee Member  
Ann Cole parent and Tigard-Tualatin Long Range Facility Committee Member  
Jerry Larsen, retired community member and Tigard-Tualatin Budget Committee Member  
Margie Greene, Tigard-Tualatin parent  
Jamie Maier, parent and Tigard-Tualatin Long Range Facility Committee Member

This Information Furnished By:  
Kevin Curry  
Election Information Advisory Committee

The printing of this argument does not constitute an endorsement by Washington County, nor does the county warrant the accuracy or truth of any statement made in the argument.

### Argument in Favor

#### **Vote Yes for Tigard-Tualatin School Bonds**

Quality, well-maintained schools benefit our children and our community. They are the primary reason that families and businesses move to the Tigard-Tualatin area.

Unfortunately, our ability to make needed facility repairs, replace science materials and textbooks and upgrade computer technology has been hampered by several years of budget cuts due to reduced state funding.

#### **A "Yes" vote on Measure 34-188 will help us make these crucial repairs and improvements.**

- Roofs at two of our schools must be replaced. At other schools, portions of roofs need to be fixed. We must make these repairs now before more expensive ones are needed.
- Energy efficient repairs and upgrades to electrical, lighting and heating and ventilation systems are needed at several schools.
- Years of use have worn-out floor coverings, equipment and some furnishings at several of our older schools. These worn-out items must be replaced.

#### **Vote "Yes" to replace worn-out science textbooks and to upgrade computer technology**

- Our current science textbooks have been used by middle and high school students for the last 14 years; the existing elementary science curriculum has been used by students for 9 years. These worn-out materials must be replaced.
- Replacement computers and upgraded computer technology are needed to keep our students competitive and adequately prepared for the future.

Using bond dollars for these projects will allow us to preserve the district's reduced operating funds for classroom instruction and to limit the growth in class size.

To save taxpayer dollars, the school district has secured interest-free financing for \$10 million of the bonds and will repay this measure in 6 years to save interest costs.

#### **Please help us help our children and our community by voting "Yes" on Measure 34-188.**

# Tigard-Tualatin School District

## Measure No. 34-188

### Argument in Favor

#### Vote Yes for Tigard-Tualatin School Bonds

Excellent schools have helped to make our community a desirable place to live and kept our property values strong. By voting "Yes" on Measure 34-188, we can make needed repairs and improvements that will keep our schools well-maintained and safe.

Over the last three years, the school district has postponed many facility repairs and improvements due to reduced funding.

These projects shouldn't be deferred any longer. Roofs at two schools are failing, causing water leaks and damage. These roofs should be fixed to avoid additional building and structural damage. In addition, repairs and improvements are needed to the lighting, electrical and heating and ventilation systems at several of the schools in the district. Our schools also need improvements to emergency lighting and pavement to make them safer for students and community members. Lastly, our district needs to replace worn-out carpeting, flooring, equipment and furnishings in some of the older buildings.

#### Using bond dollars allows for the needed repairs and avoids making additional cuts to classroom instruction or increasing class sizes.

If this measure is approved at the May election, \$10 Million of the bonds will qualify for interest-free financing which will save taxpayer dollars. The bonds would be repaid in 6 years which will also save interest costs.

#### Please protect the investment our community has already made in its schools.

#### Vote "Yes" on 34-188.

The printing of this argument does not constitute an endorsement by Washington County, nor does the county warrant the accuracy or truth of any statement made in the argument.

### Registering to Vote

To vote in Oregon you need to be registered in the county where you reside.

You can register if you can answer yes to these three questions:

- Are you a resident of Oregon?
- Are you a US citizen?
- Are you at least 17 years of age?

*If you are 17 years of age, you will not receive a ballot until an election occurs on or after your 18th birthday.*

### How to register

You can register to vote online at [www.oregonvotes.org](http://www.oregonvotes.org) or you can get a voter registration card at any of the following places:

- any County Elections Office
- the Secretary of State's Office
- some state agencies such as the Division of Motor Vehicles
- a voter registration drive

You can fill the card out in person or send it in by US mail.

You can also print out a registration card online at:  
[www.oregonvotes.org](http://www.oregonvotes.org)

### What information is required to register?

To complete your registration you will provide your:

- Full legal name
- Home address
- Date of birth
- Signature
- Valid identification

### What are the identification requirements?

1. If you have a current, valid Driver's License, Permit or ID number issued by the State of Oregon Division of Motor Vehicles (DMV), you must provide it in the boxes on the card.  
  
A suspended Driver's License is still valid; a revoked Driver's License is NOT valid.
2. If you do not have a current, valid Driver's License, Permit or ID number issued by the State of Oregon Division of Motor Vehicles, you must affirm this on the card by marking the appropriate circle and you must then provide the last four digits of your Social Security Number.
3. If you do not have a Social Security number, you must affirm this on the card by marking the circle in indicating you do not have a valid Driver's License or Social Security number.
4. If you do not have a Driver's License, Permit, ID number, or a Social Security number, and you are registering by mail, you must provide a copy of one of the following which shows the voter's name and current address:
  - valid photo identification
  - a paycheck stub
  - a utility bill
  - a bank statement
  - a government document
  - proof of eligibility under the Uniformed and Overseas Citizens Absentee Voting Act (UOCAVA) or the Voting Accessibility for the Elderly and Handicapped Act (VAEH)

If you do not provide valid identification, you will not be eligible to vote for Federal races. You will, however, still be eligible to vote for state and local contests.

### Selecting a political party

You may want to select a political party when you register but it is not required.

Major political parties require you to be registered as a member of their party in order to vote for their candidates in the Primary Election.

### Updating your voter registration

Once you have registered, you are responsible for keeping your information up to date. You can do this online at [www.oregonvotes.org](http://www.oregonvotes.org) or by completing and returning a voter registration card with the new information. You should update your registration if you do any of the following:

- change your home address
- change your mailing address
- change your name
- change your signature
- want to change or select a political party
- will be away from home on election day
