March 23, 2020

Until further notice all Washington County park restrooms, indoor and outdoor rental facilities, playgrounds, sport courts and disc golf courses are closed.

Per Oregon Governor Kate Brown's executive order: All public playgrounds, outdoor sports courts and fields (including, but not limited to, basketball courts, disc golf courses, tennis courts) are CLOSED and should be avoided. This is a necessary step and mandated by the Oregon Governor's Executive Order, to support public health and to limit the spread of COVID-19.

Washington County's parks remain open at this time for walking, hiking, biking, running - activities which do not involve close contact and where 6 feet of social distancing can be achieved.

People who are exhibiting symptoms of any illness should stay home and refrain from using any Washington County park.

Follow CDC guidelines and wash your hands before and after you visit a park, trail, or natural area, or any other public space.

Follow CDC social distancing recommendations and keep 6 feet from others at all times, including interacting with other park visitors and Washington County Parks staff. If you can't maintain that distance, find another location or come back another time.

Be prepared for limited access to public restrooms and water fountains.

Washington County's parks provide residents and visitors with many opportunities to improve their mental and physical health during this public health emergency. Please keep in mind that we need the assistance and compliance of the entire community to slow the spread of this virus and save lives.
