

## **'RideAbout' vans offer shuttle service in King City**

The American Red Cross and Ride Connection's King City 'RideAbout' service operates shuttles Monday through Friday on regular routes. It also picks up and delivers people to local destinations such as the grocery store – Albertsons and/or Safeway and also for medical appointments. The drivers will even load your groceries onto the bus and take them into your home!

The only requirement for people wanting transportation to doctors' offices is that they must pre-register to make sure their address and other information is in the system. The service is open to the general public – people do not have to be over the age of 60 or experience a disability to use it.

People should call **503-670-9338 one business day ahead** to make a request to be picked up. A donation of \$1.50 contribution per way is suggested but not required.
