

## ALL TOGETHER IN YOUR CONTAINER

### PLASTIC

#### RECYCLE "YES" MATERIALS AT THE CURB

- Rinse containers.
- Include bottles, tubs, nursery pots, and buckets.
- No plastic bags, films, lids, spray pump tops, or bottles that contained chemical products.

### PAPER

- Contain scrap and shredded paper in a paper bag.
- Include boxes, magazines, newspaper, junk mail
- Rinse well—milk cartons, drink boxes, etc.
- No tissues, napkins, waxed paper or frozen food boxes, food-soiled paper, or hard cover books.

### CARDBOARD

- Flatten boxes—size limited to < 3'x3'.
- No wax-coated cardboard.

### METAL AND AEROSOL CANS (NO LIDS)

- Empty and rinse cans. Labels OK.
- Rinse metal caps, lids, aluminum foil, and foil baking trays.
- Empty aerosol cans completely and remove plastic caps (keep nozzle intact).
- Metal paint cans accepted with <1" dry paint.

### SCRAP METAL

- 30 lbs. limit. Pieces < 30".
- Remove plastic, rubber, or foreign material.
- No household appliances.

## ON THE SIDE

### GLASS KEEP IT ON THE SIDE!

- Use a bucket or other rigid container to separate glass from other recyclables. Set two feet from your mixed recycling container.
- Rinse containers and remove lids.
- No broken glass, cookware, window glass, mirrors, light bulbs, or drinking glasses.

### MOTOR OIL

- Place motor oil in a see-through plastic container with a screw-top lid.
- Motor oil only—no other liquids accepted.

**NO PLASTIC BAGS IN RECYCLING!**

# Recycling at Home

## HOW TO RECYCLE—

No matter which recycling collection container you have, the preparation instructions are the same.
