Adolescent Drug & Alcohol Treatment Provider Directory

Presented by
The Washington
County
Juvenile Department

Last updated: 7/2/15

Before contacting any providers on this list, we suggest you contact your health insurance company to verify whether or not drug and alcohol treatment is covered on your plan and what levels of treatment are covered. Be sure to verify whether or not the provider you want to see is covered as well. If your insurance does not cover this type of treatment, you may still contact those providers who see clients on a sliding fee scale or self-pay basis.
