Summary of Event

Tonight a woman was struck as she was crossing SW Baseline Road near SW Lisa Lane in the community of Aloha. She was transported to OHSU and is expected to survive. The driver was not cited for the crash.

Full Details

On Thursday, February 4, 2010, at 6:08 p.m. a Washington County Sheriff's Deputy was traveling East on [SW Baseline Road](#) when he saw a pedestrian, 60-year-old Renee Hoskins from Aloha, start to cross SW Baseline Road from SW Lisa Lane. He was concerned because she was wearing dark clothing, it was raining, the sun had set, and it was very hard to see her.

Just as he was making his observation, a car driven by 86-year-old Betty Dobbie of Aloha, turned East onto SW Baseline Road from SW Lisa Lane and struck Mrs. Hoskins.

The deputy quickly called for medical assistance and rendered first aid until Tualatin Valley Fire and Rescue personnel arrived. She was transported to Oregon Health and Science University and she is expected to survive.

Mrs. Dobbie was not cited for the crash and she was not injured.

Deputies would like to remind people walking after dark to wear bright reflective clothing or to carry a light that will help make them visible to motorists.
