### Suspects Steal Safe in Early Morning Robbery

#### Summary of Event:

Early this morning the Arco AM/PM at the corner of NW Glencoe Road and Highway 26 was robbed by two armed men. Both clerks were handcuffed, but unharmed.

#### Details of Event:

On Wednesday, January 13, 2010, at about 4:00 a.m., two men in ski masks entered the AM/PM market located at 9560 NW Glencoe Road near the City of North Plains in unincorporated Washington County. One of the men had a semi-automatic handgun.

The clerks were handcuffed, while the suspects removed a safe from the building and then stole a van from one of the clerks. The van was later recovered nearby, but the safe is still missing.

Sheriff's Deputies conducted a search of the area with a K9, but were not able to locate the suspects. One suspect is described as 6 feet tall with a skinny build. He was wearing a green ski mask and had blonde bushy eyebrows. The only description of the second suspect is that he was short and was wearing a black ski mask.

Detectives are asking the public's help in identifying these two suspects. Please call the Washington County Sheriff's Office at 503-846-2500 with any information.
