How To Access MEDEX Services

24 hours a day, 7 days a week, 365 days a year

Your MEDEX identification card is Your key to travel security. If You have a medical or travel problem, simply call us for assistance. Our toll-free and collect-call telephone numbers are printed on Your ID card. Either call the toll-free number of the country You are in, or call the Assistance Center *collect* at:

410-453-6330 (Baltimore, Maryland)

A multilingual assistance coordinator will ask for Your name, Your company or group name, the group number shown on Your ID card (**Group Number 9061**), and a description of Your situation. We will immediately begin assisting You. A full listing of services follows.

If the condition is an emergency, You should go immediately to the nearest physician or hospital without delay and then contact the Assistance Center. We will then take the appropriate action to assist You and monitor Your care until the situation is resolved.

CONDITIONS AND LIMITATIONS

The services described are only available to You when You are traveling 100 or more miles away from Your residence or traveling outside Your home country, and only so long as the applicable fees have been paid by Standard.

MEDEX will only cover the transportation costs under the Emergency Transportation Services if MEDEX has given its prior approval and all services are coordinated by MEDEX.

All coverage provided under the Emergency Transportation Services will be by the most direct and economical routing possible.

MEDEX has sole discretion in making the determination as to whether it will cover the cost of Emergency Evacuations. Our decision will be based on medical considerations, including the opinions of the treating physicians and MEDEX medical director with respect to Your condition and ability to travel. MEDEX will determine the appropriate method, destination, and timing of any evacuation. The destination will be the nearest facility capable of providing appropriate care, as determined by MEDEX.

MEDEX has sole discretion in making the coverage determination for Your Medically Necessary Repatriation. MEDEX's determination will be based on Your need for continuing medical care. MEDEX will not return You to Your home country for the sole sake of Your convenience.

If You request a transport related to a condition that has not been deemed medically necessary by MEDEX's medical director in consultation with a local attending Physician, or to any condition excluded hereunder, and You agree to be financially responsible for all expenses related to that transport, MEDEX will arrange but not pay for such transport to a medical facility or to Your residence and MEDEX will make such arrangements using the same degree of care and completeness as if MEDEX was providing service under this agreement. A waiver of liability will be required prior to arranging these transportation services.

A waiver of liability may be required if any evacuation is not deemed by MEDEX's Medical Director to be in Your best interest. A copy of the waiver is available for review.

In the event MEDEX is arranging transportation by commercial air under the Emergency Transportation Services, and You hold an original return airline ticket, MEDEX may use that ticket and is only responsible for any applicable change fees.

MEDEX will only direct-pay any transportation costs under the Emergency Transportation Services to the transportation providers.

MEDEX is not responsible for the availability, quality, results of, or failure to provide any medical, legal or other care or service caused by conditions beyond its control. This includes Your failure to obtain care or service, or where the rendering of such care or service is prohibited by U.S. law, local laws, or regulatory agencies.

MEDEX is not responsible and cannot be held liable for damages caused by any provider of services unless they are employees of MEDEX. Providers are generally independent contractors who are not controlled by MEDEX. Doctors and lawyers are providers who are independent and not controlled by MEDEX. Any malpractice performed by a local physician or attorney is not the responsibility of MEDEX.

MEDEX is not responsible for loss or damage to Your vehicle during the return of the vehicle, or loss or damage to any personal belongings.

Your legal representative shall have the right to act for You and on Your behalf if You are incapacitated or deceased.

MEDEX reserves the right to suspend, curtail or limit its Services in any area in the event of rebellion, riot, military uprising, war, labor disturbances and strikes, nuclear accidents, acts of God, or refusal of the authorities in a country to permit MEDEX to fully provide services. MEDEX will, however, endeavor to provide services to the best of its ability during any such occurrence. It is Your responsibility to inquire whether a country is "open" for assistance Services.

Legal actions arising hereunder shall be barred unless written notice thereof is received by MEDEX within one (1) year from the date of the event giving rise to any such cause of action.

EXPENSES NOT COVERED

MEDEX will not be responsible for any costs or expenses arising from:

REIMBURSEMENT TO MEDEX AND RIGHTS OF SUBROGATION

You or a responsible party on Your behalf shall either pay the cost of medical care and treatment, including hospital expenses directly or shall reimburse MEDEX upon demand for all such costs and expenses which may be imposed upon MEDEX by health-care providers for the cost of medical care and treatment, including hospital expenses, or related assistance services either authorized by You or deemed to be advisable and necessary by MEDEX under urgent medical circumstances, to the extent that such expenses are not MEDEX's responsibility.
