County Boards and Commissions Vacancies

Serving on an appointed board, committee or commission is a great way to participate in decisions that affect you and to learn more about how your local government works. The County's boards and commissions play a variety of important roles in advising the Board of Commissioners on service priorities, how to distribute available resources, and how to improve our collaboration with other parts of the community. Review the list of openings and apply at <http://www.co.washington.or.us/CAO/BoardsCommissions/index.cfm>

Road Safety Improvement Candidates Provide Comments by November 11

Review the top Urban Road Maintenance District (URMD) safety improvement candidates being considered for funding in 2017-18 and submit your comments by Nov. 11 at <http://washtech.co.washington.or.us/urmdsc/v2/index.html>. The Urban Road Maintenance District Advisory Committee will review comments and recommend projects to the County Board of Commissioner.

To propose a small road improvement candidate, submit an online form or contact Operations and Maintenance Division at 503-846-7623 or lutops@co.washington.or.us.
