## Here's a chance to tell ODOT what their spending priorities should be!

Now is your opportunity to weigh in on an upcoming cycle of the **Statewide Transportation Improvement Program (STIP)**. This is the multi-billion dollar statewide project list that sets the table for what gets built and when. The Oregon Department of Transportation (ODOT) is currently putting together the 2021-2024 STIP, and they need to hear from you about how best to spend this money.

ODOT has provided an online survey, email newsletter sign-up form, comment submission form, and a video to help you get involved. To identify your priorities for enhancing Oregon's transportation system, complete the online survey at: [www.surveymonkey.com/r/transportationfunding](http://www.surveymonkey.com/r/transportationfunding)
