Your time for local community members who have information, local events, and other happenings or questions that they would like to discuss. Guests are welcome to share with us!

### Idea Gathering

#### Building a CPO that works for Cornelius and West Dairy Creek

Join us to brainstorm about ways we can build connections in and around Cornelius, West Dairy Creek and other neighborhoods in our area in 2016. We want to increase information and involvement about community affairs and a variety of topics including land use development and planning, education, safety, transportation, economic and community development, environment, and civic matters (including forums for candidates or ballot measures). In CPO 12C's first year, we've held interesting meetings about rural and urban topics with guests from Washington County, City of Cornelius, and nonprofits. Let's get more neighbors to come and use our organization!

### CPO Transition Update

CPO vote on main points of letter on our thoughts about preserving the CPO program.

8:00 pm / Adjourn
