Aloha Tomorrow Project - Topic of Aloha Business Association Meeting
Presented by Washington County Land Use & Transportation

December 8 / 11:30 a.m. - 1 p.m.
 Peppermill Restaurant, 17455 SW Farmington Road
 Join the discussion about how Aloha Tomorrow may generate business-related opportunities and challenges. Attendees are invited to provide input on the Aloha-area business climate, suggest elements to include in commercial areas at 185th/TV Hwy and ways to encourage business/property owners to get involved.

Continue the Aloha Tomorrow discussion!

Planning team members invite you to more discussion at your CPO 6 January 5 meeting. What do you want future development along TV Hwy and the area surrounding 185th Avenue to look like in the future? Who else should be involved in this discussion? Bring your ideas and suggestions. The project is just getting underway!

Washington County
Transportation Futures Study
 Exploring options • Informing choices

Online Open House through Dec. 2
Help shape Washington County's transportation future!

Now is the right time to evaluate long-term transportation strategies and investments needed to sustain the county's economic health and quality of life for the coming decades.

The Washington County Transportation Futures Study will identify alternative transportation investments and evaluate how well they address our future challenges in meeting mobility, connectivity, safety, efficiency, health, equity, and other values important to the community.

Learn about the Study, and provide your input on the interactive online open house at:
<http://wctransportationfutures.org/>

Complete the survey by Friday, December 2, 2016 for a chance to win your choice of a one-year TriMet pass or a gas card or bicycle credit of equivalent value (\$1,100).
