Willamette Water Supply Program

Presentation by Marlys Mock with the Willamette Water Supply Program

The program team has been working to select a preferred route for the pipeline. The initial proposed route from SW Millikan to SW Walker was formally revised in December. The new route travels along SW Murray and SW Jenkins, and connect to Walker via SW Ecole. Marlys will provide an update. Project website: www.ourreliablewater.org/

Washington County Department of Land Use & Transportation Annual Report Highlights Community Partnerships

Celebrating People & Partnerships Annual Report FY 2015-16 has been published online by the Washington County Department of Land Use & Transportation (LUT).

The annual report recognizes the collaborative partners who have contributed to the success of one of LUT's busiest years. Over the past fiscal year, the Department completed 73,164 building-related inspections and approved 1,612 subdivision lots. It maintained 3,014 road lane miles, 3,008 culverts and 184 bridges. It handled 2,615 requests for traffic signs, striping and other issues, and worked on 47 road design/construction projects.

More projects and statistics are included in the report at: lut15-16annualreport.com. Printed copies will soon be available at Washington County Department of Land Use & Transportation, 155 N First Avenue, #350, Hillsboro, OR 97124. For more information call 503-846-4530.
