Aloha Tomorrow Online Survey through March 3

Through the 2014 Aloha-Reedville Study the community identified needs and desired improvements for the commercial area at 185th Avenue and TV Hwy, transit-related improvements along TV Hwy and the desire to make Alexander Street a welcoming place for people walking and biking. We need your help in turning these ideas into specific improvements. How would you like to see the area change and what issues you would like to see addressed? Provide your input on a short online survey by March 3:
