BSD High School Boundary Adjustment

Boundary Advisory Committee Work Under Way

The Beaverton School District is in the process of conducting an adjustment of its high school boundaries to address increased population, overcrowding within schools in high growth areas, and future projected enrollment. (Find the Superintendent's initial proposal at: <http://bit.ly/1Oa8lXC>). A Boundary Advisory Committee, with representation by each high school's principal and community members, has begun studying boundaries, receiving public input, and preparing recommendations for the Superintendent. Meetings are open to the public. Meeting agendas, presentations, maps, and summaries are posted on the project web page: <http://bit.ly/1NyN7FG>

Public Input and Comments

Send to Boundary-Adjustment-Comments@beaverton.k12.or.us or submit online on project's web page.

Public Hearing February 18

Advisory Committee will review/adjust recommendations in response to input given at hearing and email comments.
