

Washington County Public Health Internship Program

Public Health
Prevent. Promote. Protect.

The Washington County Public Health internship program is designed to provide applied learning experiences for college students interested in pursuing careers in the fields of family, community or public health.

The process for requesting an internship:

1. Complete this form, as accurately as possible, so that staff can identify a suitable placement.
2. Email completed form and current résumé to kathleen_johnson@co.washington.or.us.
3. You will receive acknowledgment of receipt within two business days.
4. Your information will be reviewed and program staff will contact you.
5. If an opportunity is available to meet your needs, program staff will schedule an interview.

Please note: Every effort will be made to identify a suitable internship for you, but placements cannot be guaranteed.
