Do not mark below line

This property is not in a Flood Plain or Drainage Hazard Area.

This property is inundated by a Drainage Hazard Area. By ordinance it is the responsibility of the property owner to determine the elevations and inundation for the 4% annual chance flood (25-year event)

The FEMA 1% annual chance flood (100-year flood plain) base flood elevation is as follows:

\_\_\_\_\_  
 Datum:    1988 NAVD    1929 NAVD    Zone: \_\_\_\_\_

FEMA Flood Insurance Rate Map: \_\_\_\_\_ Effective Date: \_\_\_\_\_

FEMA Flood Insurance Study (Stream Profile): \_\_\_\_\_

Washington County Flood Map Series: \_\_\_\_\_ LiDAR: \_\_\_\_\_

Other study/Reference: \_\_\_\_\_

Signature: \_\_\_\_\_

Printed Name: \_\_\_\_\_

Persons seeking to develop within a flood plain or drainage hazard area must do so with the understanding that they and their successors assume the risks and that the risks cannot be eliminated, even with strict compliance with the standards of the Washington County Community Development Code. The elevation information provided herein does not imply that lands outside of the flood plain or drainage hazard areas, or development permitted within, will be free from flooding or flood damage.
