# Welcome to a Neighborhood Review Meeting (Attachment B)

The citizens of Washington County have an individual and a collective responsibility to assure that neighborhoods are developed in a manner that is consistent with Washington County's Community Development Code (CDC). Before submitting certain land use development applications\* to Washington County for review, the applicant must meet with neighbors who live near the proposed development, as required by Washington County's CDC. This meeting has been scheduled by, and will be conducted by, the applicant. The applicant is sometimes the property owner but can be the property owner's representative, such as the architectural or engineering firm, builder or developer.

It must be recognized that the applicant has a right to develop or change the property involved in accordance with the CDC, the Community Plan and any previous Conditions of Approval for an approved development application. After submission, a copy of your Community Plan or the development application may be obtained from Washington County's Department of Land Use & Transportation (DLUT) for a nominal fee. Community Plans and the Community Development can be viewed on the County's website.

**Community Plans:** [www.co.washington.or.us/LUT/Divisions/LongRangePlanning/Publications/index.cfm](http://www.co.washington.or.us/LUT/Divisions/LongRangePlanning/Publications/index.cfm)

**Community Development Code:** [www.co.Washington.or.us/DevCode](http://www.co.Washington.or.us/DevCode)

**MEETING PURPOSE:** The purpose of a neighborhood meeting is to provide a forum for the applicant, surrounding neighbors, and interested members of the Community Participation Organization (CPO) to consider the proposed application and to discuss issues/concerns before the development application is submitted to the County. This meeting gives everyone the opportunity to share with the applicant any special information about the property involved and to express all concerns about the proposed development. The applicant is required to take notes during this meeting and to provide a record of comments and their answers, which will be turned into the County as part of the development application. The meeting may be tape-recorded in order to assist an applicant with note taking, but the formal meeting minutes are required to be documented in written form, including meeting date/time, names/addresses of attendees and verbal/written comments received.

**MEETING GOAL:** The goal of a neighborhood meeting is to inform and encourage citizen involvement early in the development process so that the resultant development application may be more responsive to neighborhood concerns.

**WHAT'S NEXT?** Neighbors and others requesting notification will have opportunities, after a development application has been submitted, to express their ideas and concerns either during a public comment period or a public hearing (see Attachment C for details on Type II and Type III processes). Notification of public input/review time periods are sent to property owners with property within 500 feet of an urban development (1000 feet for rural) and as a courtesy to those registered on the sign-in sheet at the neighborhood meeting. Progress of the submitted application will be reported in the CPO Newsletters or individuals can request to be included on the notification list by contacting Current Planning at 503-846-8761, faxing your request to 503-846-2908, or email [lutdev@co.washington.or.us](mailto:lutdev@co.washington.or.us). You can also visit the **Projects Under Review** webpage at <http://www.co.washington.or.us/LUT/Divisions/CurrentPlanning/Projects/projectsunderreview.cfm>

The development application submitted to the County may differ from the one presented at this meeting. The CPO leaders receive a copy of the complete land use development application initially proposed (including detailed drawings and descriptions) and can share that information upon request. CPO leaders' contact information is listed in the CPO newsletters. If there are serious concerns, it is necessary to be involved at each stage of the development since changes are a natural part of the development process.

To receive a copy of the County's recommendation and staff report for the application and/or the Notice of Decision and staff report for the application, you will need to become a party of record to the application. To become a party of record for a Type II application (administrative decision without a public hearing), submit a written request during the public comment period for the application. To become a party of record for a Type III application (decision requiring a public hearing) submit a written request after the notice of the hearing has been mailed and prior to the public hearing date. The Notice of Decision will be mailed to all those within the Public Notice boundary.

You are strongly discouraged from writing or calling DLUT immediately after this Neighborhood Meeting. The County will be unaware of this proposal until the development application has been submitted, at which time a case file number and staff person will be assigned. Once the application is deemed complete, notices will be sent to neighboring properties (within 500' urban and 1,000' rural) and the area CPO. Submit comments after receipt of the notice from the County and include the case file number. The DLUT Staff Report, written prior to the final Conditions of Approval, will respond to all written comments received during the comment period.

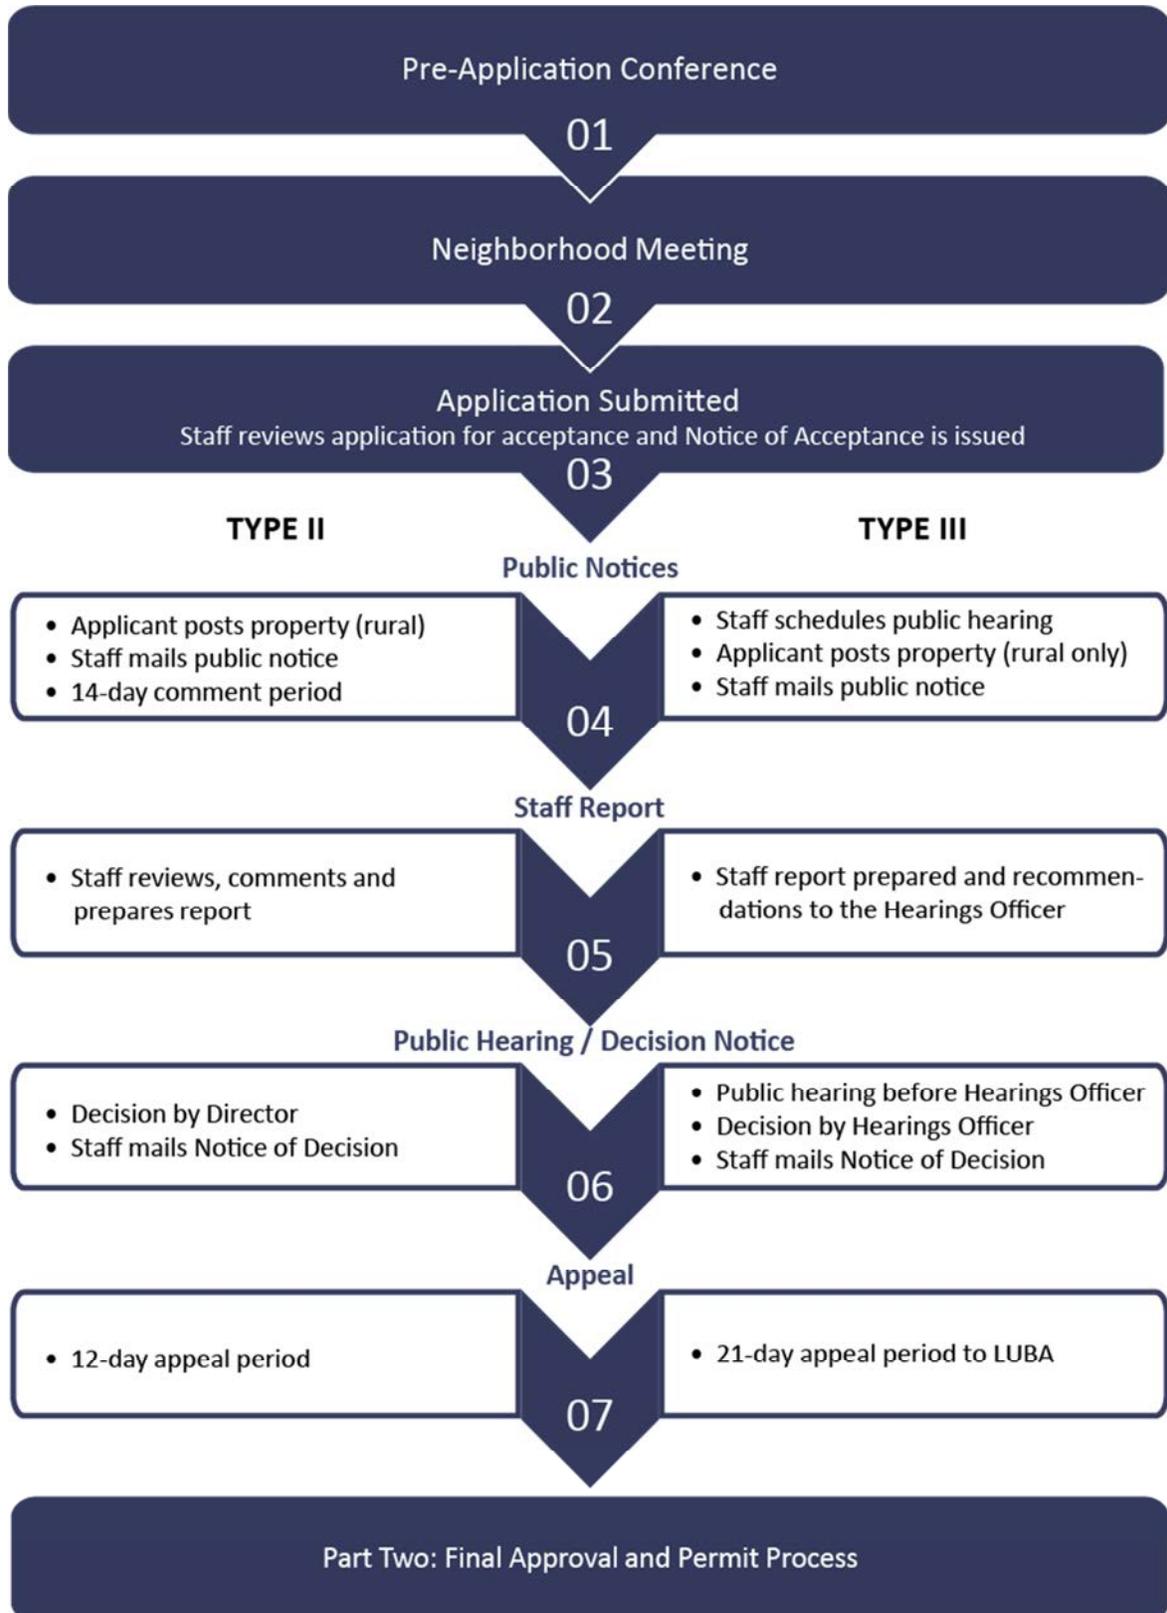

Individuals who live in, or have a business in Washington County are members of the county's Community Participation Organization (CPO) program. To receive a free monthly CPO newsletter for your area, contact the CPO Office and request to receive either an electronic or paper newsletter. Consider signing up for the electronic copy which saves the CPO program funds. Subscribers will receive one monthly email informing that the CPO newsletter is posted online.

Individuals who prefer to receive a paper copy of the CPO newsletter can give their name and address to the CPO representative at this meeting, if one is present, or call the CPO offices at 503-846-6288, or sign-up online at <http://www.co.washington.or.us/cao/cpo/>.

## Summary of Type II & Type III Land Development Application Process (Attachment C)

# Neighborhood Review Meetings

(Attachment D)

## I. INTENT AND PURPOSE

The purpose of the neighborhood meeting is to provide a means for the applicant and surrounding neighbors and Community Participation Organization (CPO) representatives to meet to review a development proposal and identify issues regarding the proposal so they may be addressed prior to application submittal in a manner that is consistent with the requirements of the Community Development Code. This preliminary meeting is intended to result in an application that is more responsive to the special circumstances of the property and surrounding neighborhood, and to expedite and lessen the expense of the review process by avoiding needless delays, appeals, remands, or denials.

Early citizen participation and interaction with the applicant through the neighborhood meetings is an effective form of citizen involvement. It provides the opportunity to maximize citizen participation to identify issues very early in the process and offers the opportunity to develop a sense of community partnership between the neighborhood and the development community.

## II. APPLICABILITY

If a proposed development involves any of the land use applications listed in Section 203-3.2 of the Community Development Code (CDC), the applicant shall hold a Neighborhood Review Meeting pursuant to the procedures listed below. If substantial changes to the development proposal are made after the initial neighborhood meeting, the applicant should to hold subsequent neighborhood meeting(s).

## III. PROCEDURES

Prior to the submittal of an application listed in CDC Section 203-3.2, the applicant shall provide an opportunity for the proposed project to be reviewed by neighboring property owners, residents, and businesses as well as representatives from the CPO within whose boundaries the site is located. In addition, the applicant shall provide documentation of the neighborhood meeting at the time the application is submitted for acceptance.

An official mailing list shall be obtained from the Department of Land Use & Transportation's Current Planning Section. A mailing list is considered valid for forty-five (45) days from the date of request.

Neighborhood review meetings shall not be held on legal holidays.
2. The meeting shall be held at a location open to the public or at a public facility within the boundaries of the CPO. All non-contiguous sites are considered separate applications and the applicant shall hold separate neighborhood meetings for each site.

NOTE: It is recommended that the meeting not be scheduled on the same date and time as the regularly scheduled meeting of the CPO where the property is located, unless the Neighborhood Review Meeting is held in conjunction with the CPO Meeting. Call the CPO office at 503-846-6288 to learn when the CPO's meeting is next scheduled to avoid conflicts.

3. If the meeting is held at a private residence or business, it shall be visibly posted at the time of the meeting as the meeting place and shall note that the meeting is open to the public and all interested persons may attend.
4. The neighborhood meeting shall occur **within 180 days** of the submittal of a development application to Current Planning.

1. The applicant shall send a written meeting notice to the Director of Land Use & Transportation, the property owners within 500 feet (urban) and within 1000 feet (rural) of the property involved in the anticipated application (this includes any adjoining County neighbors), and to the representatives of the CPO where the subject property is located. Applicant **MUST** use the mailing list provided by DLUT Current Planning. If a parcel (or parcels) does not have frontage on a public or County road, the property shall be posted in a conspicuous place at the point such property obtains access to a County or public road.

The public notice sign shall state that the site may be subject to a proposed development (e.g. subdivision, variance, special use) and shall set forth the name of the applicant and a telephone number where the applicant, or applicant's representative, can be reached for additional information. # Guidelines for a Successful Neighborhood Meeting

## (Attachment F)

### Preparation:

- Choose a facility that will be large enough to accommodate your audience and offer a comfortable setting conducive to their participation.
- Bring handout maps so participants can follow as you point to a large wall map (90% of verbal messages are misinterpreted and only 10% retained).
- Arrange seating in semi-circles with an aisle and position yourself close to the participants.
- Bring a ChartPak (easel & display materials) and someone to act as recorder to note community concerns. Recording comments before the group validates the issues and provides a written record to refine into meeting notes, which you need to send in with the attendance roster.
- You may consider the need to hire a trained facilitator to ensure an effective meeting for all involved.
- Refreshments may be provided.

### The Meeting

- You are encouraged to introduce the CPO volunteer, if present, and allow him/her to make introductory comments. Take time to introduce yourself and other representatives from your project. Also, take time for the neighbors to introduce themselves before beginning the meeting.
- Prepare an agenda and post it where all can see it. By discussing the time frames for presentations and questions, neighbors are likely to support the agenda and can be asked to help keep all on track.
- Establish ground rules and get agreement.
- Give your presentation in the language of the participants (no jargon/acronyms).
- Be prepared to explain why some requirements exist. You are not expected to be an expert on the Community Development Code, but can inform neighbors that all libraries have copies of the Code in the Reference Section and it is available online at [www.co.washington.or.us/DevCode](http://www.co.washington.or.us/DevCode).
- Provide an attendance roster (Attachment I) near the entrance of the facility and encourage neighbors to print clearly.
- Remind participants to sign the attendance roster.
- Inform participants of the processes and how to participate when the application goes forward. (See *Summary of Procedures* in this packet.) The CPO will receive a complete copy of the application from the county. Neighbors may call 503-846-6288 to be added to the CPO member list.
- Thank the neighbors and be open to receive additional questions/ideas and give them your card or contact information.

# Neighborhood Meeting Checklist

(Attachment G)

The Washington County Board of Commissioners desire potential land use applicants, neighbors and Community Participation Organization (CPO) leaders to work together. It is in the best interest of the County that those who build our communities and those who live in our communities become partners for the good of the entire community.

This list has been prepared to help a potential land use applicant meet the neighborhood meeting requirement AND hold a successful meeting. Per adopted Resolution & Order 2006-20, the legal requirements for neighborhood meetings are established. This sheet is NOT a substitute for following the exact requirements set forth in said R&O.

- ❑ Determine whether your development application requires a neighborhood meeting;
- ❑ Schedule a meeting within the CPO where the property is located;
- ❑ Obtain mailing labels from Washington County Department of Land Use & Transportation Current Planning Section 503-846-8761;
- ❑ Meeting shall be held not less than 20 days AFTER mailing meeting notice;
- ❑ Post a 2' x 3' public notice sign on the site not less than 20 days before the neighborhood meeting (see example);
- ❑ The meeting shall begin between 6 pm and 8 pm weekdays or between 9 a.m. and 5 p.m. weekends, taking into consideration to not schedule the neighborhood meeting at the same time as the regularly scheduled CPO meeting for the area where the property is located UNLESS the neighborhood meeting is conducted as part of the CPO meeting;
- ❑ Determine approximate number of attendees. Call local CPO leadership for guidance or use judgment based upon number of notices to be mailed and level of expected interest of potential application;
- ❑ Prepare the mailing notice. Include information that will be helpful to notice recipient including, but not limited to, plot plans, elevations, pictures, etc.
- ❑ At the meeting bring sign-in sheets and displays and/or handouts describing your proposal;
- ❑ Have someone available at the meeting to take notes. It is often helpful to use ChartPaks [easel & display materials] to note issues so participants can be assured their concerns are heard;
- ❑ Be sure displays are easily visible to attendees or allow time for them to come forward to clearly see your proposal;
- ❑ Take good notes. Your job is to listen and explain your project, but you are not asked to be an expert on the Community Development Code. If the meeting is to be taped, inform attendees;
- ❑ List ALL issues raised, even if they are not the applicant's responsibility. Applicant is only required to "address" all issues in his/her application, not resolve all issues, except as needed to comply with County Community Development Code (CDC) [www.co.washington.or.us/devcode](http://www.co.washington.or.us/devcode); and
- ❑ Send a copy of the meeting notes (including a copy of the meeting sign-in sheet) to the CPO representative within fourteen (14) days of the meeting;
- ❑ Washington County hopes you view this neighborhood meeting as an opportunity to build partnerships in the community and that the meeting is successful. CPO leaders work hard to help this process be successful. Call on the CPO leaders to assist and consider referring neighbors to their CPO representative to follow the progress of your application. CPO leaders are not expected to be unpaid facilitators. Should you need a trained facilitator, many are available in the region.
