RE: {Project name or description and County file number if one exists}

WASHINGTON COUNTY ROAD DESIGN AND CONSTRUCTION STANDARDS  
REQUEST FOR EXCEPTION

The following is a request for exception as per Section 220 to the Washington County Road Design and Construction Standards, **Topic, Section #####**:

Describe Request (What is the change you are requesting?)

Reason(s): (Refer to Section 220.020.1)

Comparison: (Existing Standard vs. proposed exception)

Documentation: (Basis for exception request, include references)

Public Safety: (Address the impacts on public safety)

Performance: (Address the impacts on the operation of the roadway)

Financial Effect (Comparison of the costs between the standard and the proposal)

Other comments/arguments:

Exhibits of data, calculations, drawings, etc

All of the above must be addressed for the Engineering Division to process a Request for Exception. Please submit a written request for each proposed exception.

Effective Date: 05-07-2020
