

OUTLINE, 2019 URMDAC MEETING TOPICS
October 17, 2019

URMDAC’s bylaws state: “Regular meetings of the URMDAC shall be held at least quarterly.”

Topic	When	Who Present (lead)
Reports required by URMD performance measures		
1. Annual update on pedestrian and biking improvement projects – status of design and construction of projects	January or February	Marla Vik
2. Annual update on Neighborhood Streets Program	After June (report on previous FY work)	Melissa Norman
3. Track service requests by type and report to URMDAC annually	After June (report on previous FY)	Steve Franks
4. “Annual reconciliation report” on pavement maintenance program (report on PCI of Urban Locals and Neighborhood Routes)	August or September (report is required “within 90 days of FY end”)	Brian Irish
5. Share customer feedback with URMDAC	Oct. or Nov. (include feedback on URMD surface treatment work)	Steve Franks
Other regular agenda topics		
Overview of URMD budget for the next fiscal year. (For UMDAC’s information, not for input.)	June	Todd Watkins or Steve Franks
Review of draft Road Maintenance Program for upcoming FY for URMD surface treatments	April	Brian Irish
URMDAC’s URMD ped and biking improvements selection process	For those years the selection process occurs, throughout the year (Jan-Oct.)	Steve Franks

Other topics sometimes presented to URMDAC in the past

- Sheriff’s Office presentation about road safety issues (Lt. Tim Tannenbaum)
- Update from LUT’s Bike/Ped Coordinator, including on Gain Share projects
