## AGENDA TOPIC SUMMARIES

### **1. Welcome, Introductions, & Approval of August 2021 Minutes**

The URMDAC Chair opens the meeting, invites participants to introduce themselves, and asks URMDAC members for a motion to approve the minutes.

### **2. Guest Comments**

URMDAC is a board-appointed advisory committee; its meetings are open to the public. Members of the public are welcome to attend meetings and speak during the Guest Comments period, but they do not participate in the actual committee discussions. The time limit for guest comments is usually two (2) minutes per person, but the Chair can adjust that time at their discretion.

### **3. Pavement Condition Index (PCI) Update**

This is a routine report of the current PCI of the URMD road network.

### **4. Summer Project Customer Satisfaction Recap**

We will review customer satisfaction responses received during this past summer's construction season.

### **5. 2022 URMDAC Committee Officers: Pre-election Discussion**

Annually URMDAC members elect a new chair and vice chair at the beginning of the year. This discussion will allow the committee members an opportunity to prepare for the elections scheduled for January 2022.

### **6. Blanton Street Improvement Update**

The [TV Trail Concept Plan](#) has been acknowledged by the Board of Commissioners and it will have impacts on the Blanton Street improvement project selected by URMDAC in 2019. The scope of the original project involved building sidewalks from 198<sup>th</sup> to 185<sup>th</sup>. Staff will provide an overview of the concept plan and discuss a possible alternative sidewalk improvement from 170<sup>th</sup> to 160<sup>th</sup>.

### **7. URMDAC Member Roundtable**

This is an open discussion among committee members -- an opportunity for members to provide general comments. Topics raised and discussed are usually not related to items already scheduled for the agenda.

### **8. Meeting Wrap-Up**

This final agenda item is an important time to discuss outstanding action items, identify new action items from this meeting, and schedule the next meeting.

## Zoom Virtual Meeting Protocols

### How to join the Zoom meeting

- Zoom meetings can be joined either by computer (via the provided Zoom meeting link) or by phone (using the provided phone number and webinar).
- We encourage URMDAC members join by computer, so members can easily see presentations in real-time.
- If joining by phone: download the Zoom application on your computer to enable video (otherwise, you will have audio only). Prior to the meeting, provide Sherri McFall the phone number you are calling from so staff can identify you when you call in (sherri\_mcfall@co.washington.or.us; 503-858-7615).
- URMDAC Members: Please log in or call in early to ensure you're able to connect and communicate. The meeting will be "open" 30 minutes before the start of the meeting to resolve any technical issues. No dialog about the meeting or its content will be discussed until the meeting is called to order.
- Please enter your first and last name upon entering the meeting.
- For Panelists using the video, avoid sitting with a window behind you or near an open window (to maximize video and sound quality). Also, be aware of your attire and the appearance of the visible area around you.

### General guidance:

- Zoom meeting participant roles:
- **Panelists:** URMDAC members, scheduled presenters.
- **Attendees:** Staff, guests and other members of the public (microphones will be muted/unmuted by the host; video will not be activated).
- All attendees will have video and microphones muted by default upon joining the meeting.
- Video: Panelists are asked to leave video unmuted, to help other panelists and staff see who is participating in the meeting.
- Microphones: Keep microphones muted unless speaking (you can hold down the space bar to unmute temporarily, then release the space bar to switch back to mute).
- Presentation slides will be managed by County staff; presenters should ask staff to advance slides.
