Right-of-Way Permit Application Reference Sheet

Permit Type: Sidewalk

Do not submit this checklist. It is intended as a reference for the permittee only and does not need to be made part of the permit application submittal packet.

Minimum Submittal Requirements Checklist

	No.	Item / Description
<input type="checkbox"/>	1	Completed Application: <i>Signed and dated. Application may be submitted via mail, email, or hand delivered.</i>
<input type="checkbox"/>	2	Permit Fee (repair/replacement only): <i>No Charge.</i>
<input type="checkbox"/>	3	<p>Construction and/or Site Plans: Include the following: <i>Plan view of the project site including location of the proposed work</i></p> <p><i>Construction and/or Site Plans shall be to a uniform engineering scale (1:10, 1:20, etc), legible and include all proposed work in the right-of-way and shall be composed on nothing larger than 11" x 17" paper stock (8.5" x 11" preferred).</i></p> <p><i>If unique traffic control plans or erosion control plans are required submit plans with application illustrating the scope and scale of the proposed activity. Pedestrian traffic must be accomodated for while work is in progress. Provide appropriate signage to control pedestrian traffic.</i></p>

Permit Issuance Checklist

	No.	Item / Description
<input type="checkbox"/>	1	County reviews application, in the order it was received. Additional information from the Permittee may be needed.
<input type="checkbox"/>	2	County prepares permit, develops conditions & special provisions (typically within ten (10) business days of receiving a complete application packet).
<input type="checkbox"/>	3	See attached Right-of-Way Permit Insurance Requirements.
<input type="checkbox"/>	4	Permittee is issued the permit

Special Note:

The sidewalk permit applies to the repair or replacement of damaged sidewalk and curb adjacent to one taxlot.

For new sidewalk construction or the replacement of sidewalk that is not in disrepair, a General Right-of-Way or Access Right-of-Way Permit is required.

An access permit is required to replace a concrete approach apron that is not part of the sidewalk.

Right-of-Way Permit Insurance Requirements

The Permittee agrees to defend, indemnify and hold harmless the County, its agents, officers, elected officials and employees from and against all claims, demands and judgments (including attorney fees) made or recovered against them including, but not limited to, damages to real or tangible property or for bodily injury or death to any person, arising out of, or in connection with this Permit, to the extent such damage, injury or death is caused or sustained in connection with the negligent performance or willful misconduct of Permittee, or its employees, agents or subcontractors.

Tier 1 – Minor Work Performed by Homeowners/Property Owners

Permittee shall at all times, while performing work associated with the above referenced permit, carry a homeowner's insurance policy for at least \$500,000 combined single limit for Bodily Injury, Property Damage, and Personal Injury. This insurance must be primary to and non-contributory with any insurance, including any self-insurance or retentions carried by the County.

The Permittee shall deliver to the County, prior to the commencement of the work, a certificate of insurance or copy of the Declaration Page(s) evidencing the insurance required by this Permit.

Tier 2 – Minor Work Performed by Contractors

Permittee shall at all times while performing work associated with the above referenced permit, carry a Commercial General Liability insurance policy for at least \$1,000,000 combined single limit per occurrence and at least \$2,000,000 in the aggregate per project, for Bodily Injury, Property Damage, and Personal Injury. This insurance must be primary to and non-contributory with any insurance, including any self-insurance or retentions carried by the County.

The Permittee shall deliver to the County, prior to the commencement of the work, a certificate of insurance evidencing the insurance required by this Permit.

Tier 3 – Major Work Performed by Contractors

Permittee shall at all times while performing work associated with the above referenced permit, carry a Commercial General Liability insurance policy for at least \$1,000,000 combined single limit per occurrence and at least \$2,000,000 in the aggregate per project, for Bodily Injury, Property Damage, and Personal Injury. This insurance must be primary to and non-contributory with any insurance, including any self-insurance or retentions carried by the County.

The Permittee shall deliver to the County, prior to the commencement of the work, a certificate of insurance evidencing this insurance and an insurance policy endorsement listing "*Washington County, its agents, elected officials and employees*" as additional insured. **This statement on the insurance certificate only, without also providing the endorsement, is not sufficient.**

It is understood and agreed that this insurance shall not terminate or be canceled prior to the completion of the permitted activity without first giving 30 days written notice of the intention to terminate or to cancel said insurance to the County. Furthermore, this Permit is automatically revoked without further action if the insurance is permitted to lapse, is canceled or for any other reason becomes inoperative."
