Minor Betterment Program

Candidates for construction in 2015-2016

Candidate 34 – Clarion Street

Need/request: Pathway through unimproved section of Clarion Street so pedestrians do not have to walk around the block or in the mud.

Proposed solution: Construct about 100 feet of 5-foot-wide paved pathway to connect north and south ends of Clarion Street. This will provide pedestrian and bike access to Alexander and 198th Avenue.

Estimated cost: \$74,000 assuming some drainage improvements may be required and adequate right-of-way exists.
