Minor Betterment Program

Candidates for construction in 2015-2016

Candidate 210 – Barnes Road

Need/request: Improve the concrete median at Barnes Road close to Timber Creek Apartments entrance so vehicles will not use it as a turn lane.

Proposed solution: Construct about 50 feet of 8-inch high concrete median. This will provide a barrier for non-emergency vehicles turning at Barnes Road.

Estimated cost: \$37,000 assuming some drainage improvements may be required.
