Candidate 253 – 74th Avenue

Need/request: Pathway through unimproved section connecting 74th Avenue to Addie Lane so pedestrians do not have to walk around the block or in the mud.

Proposed solution: Construct about 60 feet of 5-foot-wide paved pathway from Addie Lane to 74th Avenue. This will provide pedestrian and bike access to Moonshadow Park.

Estimated cost: \$79,000 assuming some drainage improvements may be required and adequate right-of-way exists.
