

# COUNCIL CREEK REGIONAL TRAIL MASTER PLAN

## Trail Alignment Alternatives

**Please join us at an Open House.  
We want to hear from you!  
Wednesday, November 5  
6 – 8 pm  
Forest Grove Auditorium  
1915 Main St.**

Since 2001, the Council Creek Regional Trail has been envisioned as a primary transportation and recreation trail extending from Hillsboro through Cornelius and Forest Grove, eventually connecting with the Banks-Vernonia Trail.

We invite you to give your input, ask questions and learn more about different trail route options which are being considered. **Please join us.** The project team wants to know what you think is the best trail route, and your opinion counts as we create the CCRT Master Plan, which will identify and plan the preferred trail route. City and county staff will be ready to listen to your feedback, answer questions, and share information. Your input is vital to finding a route that works for everyone.
