Notes:	<p>Not all gravel roads in Washington County have been prioritized on this list. Data from traffic counts and annual road surveys is used to update this list each year. Additional roads are added as data becomes available.</p> <p>Roads are selected for upgrade from the top priorities on this list; however, they may not be selected exactly in priority order. Selection is dependent upon a variety of criteria, including concurrence from the Rural Roads Operations and Maintenance Advisory Committee.</p> <p>Property owners can choose to pay for upgrade themselves through a co-op or LID. For more information, contact Washington County Operations at 503-846-ROAD (846-7623) or lutops@co.washington.or.us.</p>
