in 2015-2016

### Candidate 285/302 – Bull Mountain Road

**Need/request:** Fill gaps in existing sidewalks/pathways along Bull Mountain Road between Grandview Lane and 133rd Avenue so pedestrians do not have to walk in the travel lane with vehicles or alongside the road in the grass and mud.

**Proposed solution:** Construct about 1800 feet of 5-foot-wide paved pathway, along the north side of Bull Mountain Road from Grandview Lane to 133rd Avenue. This will provide a continuous pedestrian walkway along the north side of Bull Mountain Road from 150th to 133rd Avenue.

**Estimated cost:** \$709,000 assuming some drainage improvements may be required and adequate right-of-way exists.
