Gary Virgin
Lars Wahlstrom

Staff:

Dave Schamp
Greg Clemmons
Keith Lewis
Victoria Saager
Stacia Sheelar
Rich Girard

Absent

Eldon Jossi
Wendy Mortensen
Dave Vanashce

Guest

Welcome

Gary Virgin called the meeting to order at 7:35 a.m. March minutes were approved by the committee.

Work Program

Rich Girard handed out information on the 07-08 Work Program. Rich asked that anyone with comments please let him know. There are some areas of the program that are still pending. Rich can be reached at 503-846-7639 or via email at richard_girard@co.washington.or.us.

Culvert Rating Criteria

Rich Girard provided a hand out on the culvert rating criteria. The County currently uses cast-in-place concrete, precast (round and box), and corrugated metal pipe (CMP).

Final Bridge Report

The final bridge report will be available at the next RROMAC meeting.

Budget Update

It appears that the requested budget will remain whole and it appears that the gravel road upgrade money is safe. The budget will go before the Board in June for final approval.

Gravel Road Upgrades

With the upcoming budget we will be able to chip seal the roads on the list through Schmeltzer. Ken Moyle informed the group that Broken Arrow Ranch is now for sale.

There are two LID's in the works right now. One for Jacktown/Daniel and one for Pumpkin Ridge Road. Ken Moyle motioned to post Jacktown Road with No Thru Trucks sign. Keith Fishback seconded the motion. Seven were in favor and one opposed.

Don Logan shared his compliments on the condition of gravel roads. Don says the roads have improved tremendously and he thanks the County. Gary Virgin echoed Don's comments.

Miscellaneous

Don't forget the motorist education class being given by Hal Ballard today following the meeting. 'A View From the Saddle' will be from 9:30-11:30.

Keith Fishback motioned to adjourn the meeting and Hal Ballard seconded the motion.

Next Month's Agenda:

Bridge Report – Dave Schamp

Work Program Comments – Rich Girard
