### Welcome

Gary Virgin called the meeting to order at 7:35 a.m. Ken Moyle motioned to approve the June minutes and Lars Wahlstrom seconded the motion. All were in favor.

Gary Virgin, Chairperson, has asked to step down from the Chair position. Lars Wahlstrom nominated Bill Ewers for the position, Ken Moyle seconded the nomination. All were in favor. Bill Ewers is the new Chairperson. A Vice-Chair will be elected at the August meeting.

### WCCC Presentation Update

Letter to the WCCC was reviewed and is on the agenda for next month. The committee discussed possible questions that may be asked at the meeting on August 6. Victoria will meet with a subcommittee of RROMAC members to discuss this prior to the actual meeting date.

### Low Volume Roads Conference

Greg Clemmons attended a Low Volume Roads Conference in Austin, Texas. Chip seals were discussed. We have done a two shot chip seal in the past, and we are doing a three shot now. We are considering going back to a two shot after talking with others at the conference.

Ken Moyle suggested shooting one road with a two shot on half and a three shot on the other half and see which half holds up the best.

### Matrix Placement Policy
