

# Farmington Road (Murray to Hocken) Improvement Project

Washington County and the City of Beaverton would like to inform area residents and businesses about the status of the Farmington Road (Murray Boulevard to Hocken Avenue) improvement project.

## Project Information

This project will make needed safety and traffic capacity improvements to Farmington Road, between Murray Boulevard and Hocken Avenue, for all modes of transportation.

Improvements include widening the road-way to five lanes (two travel lanes in each direction with a center turn lane), continuous bicycle and pedestrian facilities, street lighting, and utility upgrades. This project also entails realigning 141st and 142nd Avenues.

## Project Funding

This project is funded through Washington County's Major Streets Transportation Improvement Program (MSTIP 3d).
