Four Teens Injured in Early Morning Crash

April 21, 2019

On Sunday, April 21, 2019, at 12:31 a.m., Washington County Sheriff's Office deputies responded to an injury crash near the intersection of SW Tile Flat Road and SW Grabhorn Road in unincorporated Beaverton. It was reported that two vehicles collided head-on and that at least two people were trapped inside of a 1986 Audi 400. Personnel from Tualatin Valley Fire & Rescue arrived with deputies and began working to extricate three passengers from the Audi.

During the investigation, deputies learned the Audi was traveling eastbound on SW Tile Flat Road and a 1998 Toyota Camry was traveling westbound. The driver of the Toyota lost control of his vehicle while attempting to negotiate a curve and went into the oncoming lane, colliding head-on with the Audi. Four teenager passengers, all of whom were riding in the Audi, were transported to area hospitals. The extent of their injuries is currently unknown.

Deputies do not believe that speed or intoxication were factors in the crash.
