Media Release: Investigators Seeks Public Help in Locating Owners of Stolen Electric Bicycles

September 18, 2022

Recently investigators from the Washington County Sheriff's Office located what is believed to be two stolen electric bicycles.

The first bicycle is a dark gray Ride1Up electric bicycle with brown handlebars, a brown seat, and a rack over the back tire. The back tire also has a fender on it. The second bicycle is a black Pedego electric bicycle. It has fenders on the front and back tires, and a rack over the back tire. It also has a lock cable wrapped around the seat post.

At this time, we don't have any known victims in the case and are working diligently to locate the rightful owners.

If you have any information regarding the photographed bicycles, please contact us by calling the Washington County non-emergency number at (503) 629-0111.
