

## PRESS RELEASE

Case #14-514034

### Detectives Search for Missing Man

September 12, 2014-Detectives are searching for a man that reportedly walked into the woods. This case is being treated as suspicious due to many circumstances.

On September 9, 2014, Pearce Leckenby, 25, contacted the Washington County Sheriff's Office to report his father has been missing since about noon on Saturday, September 6, 2014. Pearce told the Sheriff's Deputy that he drove his father, Ronald Leckenby 45, from Aloha, to Silver Falls State Park in Marion County on September 6, 2014.

Pearce said Ronald got out of the vehicle and after making some comments walked through a heavily wooded area near the park. Pearce said Ronald left his wallet, cellular phone and other personal items in the vehicle. Ronald has not shown up for work and has not contacted anyone close to him. It is very unusual for Ronald to be out of contact with his family and friends for this extended period of time.

Washington County Violent Crimes Detectives began assisting with the case. They are conducting extensive interviews to gather information that will assist in locating Ronald Leckenby. The Marion County Sheriff's Office searched the Silver Falls Park area but was not able to locate Ronald Leckenby. Washington County Sheriff's Office Search and Rescue will conduct a search of the area close to Silver Falls State Park on September 13, 2014.

Ronald Leckenby is described as 5'9" tall, 190 pounds with brown hair and brown eyes. He was last reported wearing a brown suit when he went missing. The vehicle associated with Ronald Leckenby was a white 2014 Nissan Altima with a DMV temporary permit in the rear window and CARR dealership placards in the license plate locations.

Detectives are asking anyone may have seen Ronald Leckenby or the Nissan Altima on Saturday September 6, 2014, between the community of Aloha and the Silver Falls State Park area, to please contact the Sheriff's Office.

If anyone has information regarding the whereabouts of Ronald Leckenby, please call 503-629-0111. Any additional information concerning the case should be forwarded to Detective Gary Jensen at 503-846-2742.
