

Washington County Jail LAPTOP USER AGREEMENT

I request permission to use a laptop computer or a tablet during professional visits. As a condition of that permission, I understand and agree to the following:

Permitted Uses

- Word processing, such as recording information in defendant's electronic file.
- View and/or listen to electronic evidence in current criminal case.
- Record test responses; for example, as part of a drug and alcohol evaluation, placement evaluation, or PSI.
- Language translation.

Not Permitted

- Internet access.
- Any other form of two-way communication with outside parties.
- Use of cameras.
- Display of graphically sexual or violent photos or other evidence. (Please request Central Visiting if this is the case.)

If I use a laptop computer or tablet for any purpose not permitted, I understand that I will lose the privilege of bringing such equipment with me during professional visits.
