ARTICLE 1 - RECOGNITION

1.1 The County recognizes the Association as the exclusive collective bargaining agent for all full-time employees in the following classifications:

Recruit Deputy	Forensic Technician 1
Deputy	Forensic Technician 2
Corporal	Forensic Analyst
Detective	Civil Recruit Deputy
	Civil Deputy
Jail Recruit Deputy	Evidence Officer 1
Jail Deputy	Evidence Officer 2
Jail Corporal	Senior Evidence Officer

Temporary, part-time, seasonal, variable hour and confidential and supervisory employees shall be excluded from the bargaining unit and not covered by this Agreement when deemed excluded by agreement of the parties or by a legal and final determination of the Oregon Employment Relations Board.

Bargaining unit employees shall have priority for the scheduling of bargaining unit assignments, hours and overtime. Non-bargaining unit employees shall not be scheduled to work any bargaining unit work and/or assignments when there is a bargaining unit employee who is willing, ready and able to perform the work. If no bargaining unit employee is ready, willing and able to perform the work and a non-bargaining unit employee is scheduled, once scheduled, there shall be no opportunity to “bump” a non-bargaining unit employee from any of the assignment or work opportunity that the non-bargaining unit employee is filling. Regardless of whether a non-bargaining unit employee is performing or filling bargaining unit work or assignment – the bargaining unit work and/or assignment will remain the purview and work/assignment of the Association.

Corporal, Jail Corporal, Detective, and Senior Evidence Officer are internal promotional opportunities for bargaining unit employees. These positions may be offered externally only if there are no qualified internal applicants.

1.2 The class titles used above are for descriptive purposes only. Copies of the current class titles set forth in Section 1.1 shall be made available to the Association electronically.

Their use is neither an indication nor a guarantee that these classes or titles will continue to be utilized by the County.

1.3 The County shall promptly notify the Association of its decision to change any of the classifications listed in Section 1.1 above. Such changes must be bargained before implementation. If there is a successor classification or new classification doing any of

the current work or duties or functions of classifications and/or employees represented by the Association then the successor/new classification shall automatically be recognized as a part of the Association and covered by this Agreement.

- 1.4 New classifications may be developed within the Sheriff's Office by the County and assigned a wage scale. The County shall notify the Association President of the new classification and forward a job description and wage scale to the Association President for review. Pursuant to ORS 243.650 et seq., the Association shall have the right to bargain about mandatory subject and/or subjects with mandatory impacts, related to the new classification. During bargaining about the new classification, as long as the new classification has been placed within the Association, the County may proceed with the hiring process with the understanding that any subsequent agreed upon changes related to the new classification will be made retroactive to the employee's date of hire. The County further recognizes that the Association reserves the right to challenge the exclusion of a new classification through PECBA procedures.

ARTICLE 2 - DEFINITIONS

2.1 The following definitions shall be applicable to this Agreement:

- A. "Employee" means any person employed by the County who fills a position in one of the classifications listed in the Recognition Article.
- B. "Probationary Employee" means an employee who has not completed the probationary period of his/her first thirty-nine (39) qualified payroll periods following appointment to County service.

The parties agree that an employee's probationary period, whether it be an initial probationary period as provided in this Section or an additional probationary period as provided in Sections 2.1(C) and 2.1(D), shall be automatically extended in the event the employee is unable to perform all duties of his/her classification for a period of one (1) month or longer due to a qualifying medical reason. In that situation, the probationary period shall be extended by the length of time the employee is unable to perform such duties.

- C. "Certified Lateral Hire Employee/Lateral Employee" means a newly hired employee who holds a certification recognized by the State of Oregon DPSST and is not required to attend the DPSST basic academy.

The lateral hire probationary period will be defined as a maximum of thirty-nine (39) qualified payroll periods with completion of DPSST certification or a minimum of twenty-six (26) qualified payroll periods with completion of DPSST certification, whichever occurs first, following appointment to County service.

Unless a lateral employee possesses it at entry, all newly hired lateral employees must obtain Oregon DPSST certification within eighteen (18) months of appointment. Exceptions may only be granted at the discretion of the Washington County Sheriff.

- D. "Career Employee" means: 1) an employee who has successfully completed the initial probationary period of thirty-nine (39) qualified payroll periods following appointment to County service; 2) or who has successfully completed an additional probationary period of thirty-nine (39) qualified payroll periods following promotion or transfer to a position requiring the employee to obtain different DPSST certification; or 3) an employee who has successfully completed an additional probationary period of twenty-six (26) payroll periods following a promotion or transfer to a position that does not require the employee to obtain different DPSST certification.
- E. "Career-Probationary Employee" means an employee who serves an additional probationary period of thirty-nine (39) qualified payroll periods following promotion or transfer to a position requiring the employee to obtain different DPSST certification or twenty-six (26) payroll periods following a promotion or

transfer to a position that does not require the employee to obtain different DPSST certification.

- F. "Qualified Payroll Period" is a payroll period in which the employee has not had ten percent (10%) of their regular work schedule in an unpaid status except as otherwise provided in this Agreement or County Personnel Rules and Regulations.

ARTICLE 3 - EXISTING CONDITIONS

- 3.1 Standards of employment related to wages, hours and working conditions that constitute mandatory subjects of bargaining shall be continued at not less than the level in effect at the time of the signing of this Agreement.

ARTICLE 4 - LABOR-MANAGEMENT COMMITTEE

- 4.1 The County and the Association shall establish a Labor-Management Committee to advance communications on matters of concern to either party. The purpose of the Labor-Management Committee is to foster improved communications, the sharing of information, and effective problem solving between the County and the Association. The Committee generally serves as an advisory rather than a decision-making body. The Committee shall meet periodically and shall consist of the members of the Sheriff's Office command staff selected by the Sheriff and members of the Association's Executive Board selected by the Association President. Association counsel and the County's legal counsel, as well as representatives of Human Resources, may also attend as ex-officio members of the Committee. Employees will be permitted to attend on duty. The Committee shall not become involved in individual grievances nor shall the committee meetings be construed as formal contract negotiations.
- 4.2 The Association and the County shall appoint no more than four (4) representatives each to the Labor Management Committee (LMC). The committee shall consist of the members of the Sheriff's Office command staff selected by the Sheriff and members of the Association's Executive Board selected by the Association President. Representatives of Human Resources may also attend as ex-officio members of the Committee.

The committee will meet to establish a meeting schedule to share information and discuss issues, which may be appropriate for future LMC activity. It is agreed that this time shall be County-paid time. The parties mutually agree to utilize a consensus method involving all recommendations of the committee.

ARTICLE 5 -

Reserved for future use

ARTICLE 6 - EQUAL EMPLOYMENT OPPORTUNITY

- 6.1 The County and the Association agree that the provisions of this Agreement shall be applied equally to all employees of the bargaining unit without discrimination as to race, color, religion, sex, national origin, sexual orientation, age, mental or physical disability, which can be reasonably accommodated, or gender identity, as defined by federal and state law. Nor shall there be any discrimination against veterans, as defined by federal law. The County and the Association also agree to nondiscrimination in employment as defined by state law, which includes nondiscrimination because of marital status, family status, domestic partnership, juvenile record, union affiliation, on-the-job injury and the reporting by employees of unsafe working conditions, or other protected status or activity in accordance with applicable state or federal law. Nothing in this section, however, shall be construed to prohibit actions taken because of bona fide occupational qualifications, seniority rights, legitimate employer business necessity.
- 6.2 The Association shall share equally with the County the responsibility for applying the provisions of the Agreement.
- 6.3 Gender Reference.

All references to employees in this Agreement designate all gender identities. Whenever gender is used it shall be construed to include all employees.

ARTICLE 7 - SCOPE OF AGREEMENT

- 7.1 The parties acknowledge that during negotiations which preceded this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, for the life of this Agreement, the County and the Association each voluntarily and unqualifiedly waives the right and each agrees that the other shall not be obligated to negotiate collectively with respect to any subject or matter not specifically referred to or covered in this Agreement, even though such subject or matters may not have been within the knowledge or contemplation of either or both the parties at the time of the negotiation or signing of this Agreement.

ARTICLE 8 - EMPLOYEE & ASSOCIATION RIGHTS

- 8.1 Employees shall have the right to form, join and participate in the activities of employee organizations of their own choosing, for the purpose of representation on matters of employment relations. Employees shall also have the right to refuse to participate in the activities of any employee organization. No employee shall be interfered with, intimidated, restrained, coerced, or discriminated against by the County or by any employee organization because of his/her exercise of these rights or because of his/her political affiliation.
- 8.2 Membership.

Paid membership or non-paid membership in the Association shall be the guaranteed individual choice of employees within the bargaining unit.

8.3 Collection of Dues Deduction and Association Fees.

A) The County, when so authorized and notified by the Association, via email with a copy to the involved employee, or by an employee represented by the Association, will deduct regular Association dues from wages of the employee. Any authorization for payroll deductions of dues may be canceled by the employee upon written notice to the County and the Association prior to the 15th day of each month, to be effective on the first day of the following pay period. The County will make proper adjustments for errors as soon as practical. When necessary, in compliance with the PECBA, or when requested by the County, the Association will provide the record of dues deductions authorizations made to the Association by an employee.

B) The County, when so notified by the Association, via email, will deduct Association assessed fees from an employee's wages via payroll deduction and remit such deduction to the Association. The Association's email notification to the County will include a copy of the employee's authorized fee deduction with a copy to the involved employee.

8.4 Indemnification.

The Association will indemnify, defend and hold the County harmless from all suits, actions, proceedings, and claims against the County or persons acting on behalf of the County, whether for damages, compensation, reinstatement, costs and/or fees or any combination thereof, arising from the County's application of and/or compliance with this Article. In the event that any part of this Article should be declared invalid or that the monthly service fee should be ordered reimbursed to any nonmember, the Association and its members shall be solely responsible for such reimbursement.

8.5 Bulletin Board.

The County agrees to furnish up to ten (10) suitable bulletin boards in reasonably convenient locations. (These ten (10) bulletin boards will be for use by the Association for both Association bargaining units.) The board is for use by employees and the Association for matters of their collective concern. This bulletin board is to be maintained by the Association, including periodic clearing of outdated materials. Posting of notices and other material by employees is restricted to Association business and training or education announcements and shall be limited within County facilities to these Bulletin Boards. The Association may place notices in the members' mailboxes.

8.6 New Hires.

The County will notify the President of the Association, in writing, of all newly hired employees for positions in the bargaining unit within no later than ten (10) calendar days of the first working day of the new employee. Such notification shall include the name,

mailing address, salary step, phone number(s), email address, position, and rate of pay of the new employee.

8.7 Employee Orientations and Access to Bargaining Unit Employees.

A.) Employee Orientations. At employee orientations, the County shall provide the Union with no less than thirty (30) minutes and up to one hundred twenty (120) minutes to make a presentation to all bargaining unit employees without undue interference. No employee shall suffer a loss in compensation or benefits as a result of participating in or attending the Union presentation.

B.) When a bargaining unit employee is hired after the employee orientation or when the County does not conduct an orientation, the Union shall be permitted to meet with the newly hired bargaining unit employees for up to sixty (60) minutes during work hours without loss in compensation or benefits for the newly hired employee or for the designated representatives attending the meeting. Unless otherwise agreed, meeting with newly hired employees shall take place at the newly hired employee's regular work location, within thirty (30) calendar days from the date of hire.

8.8 Association Access.

Association representatives shall be allowed access to the employee work areas for the purpose of processing grievances or contacting members of the Association, however, such representatives shall not enter any work location without the consent of the supervisor. Access shall not be unreasonably withheld. Access shall not interfere with normal operations of the Office or with established safety or security requirements, and Association representatives will endeavor, to the extent reasonably possible, to conduct Association business at times and places which do not interrupt work.

8.9 Association Business.

Association officers selected to serve as authorized representatives shall be certified in writing to the County. Association representatives shall be granted time off without loss of regular pay for the purpose of meeting with the County within the scope of representation. The Association shall endeavor to give the County at least twenty-four (24) hours written notice in advance when an authorized representative seeks time off with or without pay to conduct Association business.

8.10 Attendance at Bargaining.

No more than four (4) on-duty employees shall be permitted to attend negotiating sessions with the County without loss of regular pay. Notice shall be given to the County at least twenty-four (24) hours in advance of the anticipated absence. The dates, times and places for these negotiating sessions shall be established by mutual consent of the parties. Any Association member not scheduled to be on-duty during the negotiating sessions may adjust their shift in order to attend without loss of pay.

8.11 Special Conferences.

Special conferences for important matters may be arranged between the Association President and the County upon agreement of the parties. Such meetings shall be arranged in advance, and an agenda of matters to be discussed at the meeting shall be presented at the time the agreement to meet is made. Association members shall not lose time or pay for time spent in such conferences.

8.12 Manual of Rules and Procedures and Collective Bargaining Agreement.

The County agrees to make the County Personnel Policies Manual, the Sheriff's Office Manual and this Agreement electronically available to all employees represented by the Association and to Association representatives. Additionally, any revisions to these manuals and/or this Agreement that involve mandatory subjects of bargaining or have impacts on mandatory subjects of bargaining will be made available and employees represented by the Association and Association representatives will receive email from the County notifying them of any revisions and will be responsible for reading all such revision emails.

ARTICLE 9 - MANAGEMENT RIGHTS

- 9.1 It is recognized that an area of responsibility must be reserved to the employer if the County is to effectively serve the public. Except to the extent expressly abridged by a specific provision of this Agreement, it is recognized that the responsibilities of management are exclusively functions to be exercised by the County and are not subject to negotiation or grievance. By way of illustration and not of limitation, the following are listed as such management rights and functions:
- A. The determination of the services to be rendered to the citizens served by the County.
 - B. The determination of the employer's financial, budgetary, accounting and organization policies and procedures.
 - C. The continuous overseeing of personnel policies, procedures and programs promulgated under any ordinance or administrative order of the County establishing personnel rules and regulations not inconsistent with any other term of this Agreement.
 - D. The management and direction of the work force including, but not limited to, the right to determine the methods, processes and manner of performing work; the determination of the duties and qualifications of job classifications; the right to hire, promote, train, demote, transfer and retain employees; the right to discipline or discharge for just cause; the right to lay off for lack of work or funds (subject to Article 33); the right to abolish positions or reorganize the departments or divisions; the right to determine schedules or work (subject to Article 10); the right to schedule employee vacations (subject to Articles 14 and 17); the right to purchase, dispose and assign equipment or supplies; and the right to contract or subcontract any work.

ARTICLE 10 - HOURS OF WORK

- 10.1 The workweek shall be from 0001 (12:01 a.m.) Saturday through 0000 (midnight) Friday night. The regular hours of each workday shall be consecutive. The workday shall consist of a twenty-four (24)-hour period. The first workday shall commence at the start of an employee's regularly scheduled workweek.

Employees who work the extra hour for daylight savings time (DST) shall be compensated for the extra hour they work for the time change. Employees who work an hour less than their regular work shift will either need to use an hour of vacation, holiday or comp time; or work an extra hour to compensate for the time change.

- 10.2 An employee's normal work schedule shall, consist of eight (8) consecutive hours per consecutive twenty-four (24)-hour period (a schedule of five (5) consecutive workdays followed by two (2) consecutive days off; (5-8 schedule)) or ten (10) consecutive hours per twenty-four (24)-hour period (a schedule of four (4) consecutive workdays followed by three (3) consecutive days off; (4-10 schedule)). In addition, a "flexible" work schedule may be utilized which shall be equal to forty (40) hours worked during the work week, but shall have no maximum or minimum number of work hours per day or work days per week. Such flexible work schedule shall not be in effect unless agreed upon in advance by the individual affected employee and the County and the WCPOA. Upon mutual consent of the Sheriff and the employee, employees may work an alternative nine/eighty (9/80) work schedule in a consecutive fourteen (14) day work period, which must coincide with the County payroll period.

- 10.3 Except in the case of an emergency or other circumstances beyond the control of the Sheriff's Office, not less than two (2) weeks' notice will be given to the impacted employee and the Association prior to a change in an impacted employee's work schedule. The requirement of two (2) weeks' notice may be waived in writing by the impacted employee. If an employee's schedule is changed under this provision, the supervisor will notify the employee via County email upon the change in schedule.

- 10.4 All employees' work schedules outside of the jail division shall provide for two (2) fifteen (15) minute rest periods in the middle of each half of the shift when practicable, and one-half (1/2) hour meal period in the middle of each shift when practical.

- 10.5 Employees' work schedules in the jail division shall provide for one fifteen (15) minute rest period and one forty-five (45) minute meal period in the middle of each shift when practical.

For all employees, if an employee attends training where the County does not have control of the schedule, the lunch period(s) at such training will be unpaid. Trainees who attend the new employee in service academy will have ½ hour unpaid lunch.

- 10.6 Seniority Shift Bidding: Subject to the considerations and provisions of Article 14 and this Section, shift selection shall be based upon Classification Seniority. At least thirty (30) days prior to March 1 and September 1 of each year but not sooner than forty-five (45) days, employees will be given an opportunity, in order of seniority, to select desired

shift and days off for each six (6) month period beginning March 1 and September 1. Shift and days off changes will normally be completed within the first two (2) weeks following September 1 and March 1, respectively. The work schedules shall be posted and remain unchanged seven (7) days in advance of the new work schedule bid.

This section 10.6 is not intended to prohibit employees from trading shifts or days off with the Sheriff's approval for good and just reason, such as class schedule related to employment, on other than the previously stated selection dates. There will be no bumping prior to the stated selection dates in the event an employee returns to a shift from a Special Assignment.

An employee returning from a special team assignment to a seniority shift bid assignment due to completion of the assignment, and such reassignment occurs in the middle of a seniority shift bid period or after the seniority shift bid has been completed, will be placed on a shift that is most close to the hours of work and days off of the specialty assignment.

An employee returning from a special team assignment to a seniority shift bid assignment voluntarily or involuntarily due to discipline or documented performance issues will be placed on any available shift.

An employee placed on critical incident leave shall continue their regular hours of work and days off subject to being called in for investigative or other purposes necessary to return the employee to regular duty.

- 10.7 Recruit Deputies (Basic Academy) and Lateral-hire Deputies (Lateral Academy) enrolled in a DPSST Training Academy are responsible for reporting work hours to their WCSO Supervisor (typically, the FTEP Sergeant) on a weekly basis. Generally, the DPSST Academy is arranged around a Monday through Friday, eight (8) hours per work day work schedule. However, actual daily schedules (start of day, break periods, and end of day), will vary depending on the material being covered, and the eight (8) hours of the work day, at the DPSST Academy, may be non-consecutive due to long break periods between classes and other required activities. Mandatory activities such as instruction time, flag raising, and physical fitness classes shall be considered work time. Deputies will be paid overtime (time-and-a-half (1.5)) for all required work time exceeding forty (40) hours per week. Deputies will not be compensated for personal study time, or any other voluntary activities, while at the DPSST Academy. Deputies must document their work hours on a timesheet and submit overtime slips (if any) to the WCSO Supervisor on a weekly basis.

The DPSST Training Academy is the primary duty station for Deputies enrolled there. Because Deputies are provided the opportunity to stay (live) at the academy during their enrollment, voluntary travel time to and from the Academy grounds is generally not compensated, unless prior arrangements have been approved by a WCSO Supervisor.

- 10.8 All hours paid by the County to an employee, in any form, (i.e. ILH, Ad Leave, Vacation, Comp Time, etc.) count as hours of work for purposes of Qualified Payroll Periods, health and welfare benefits.

ARTICLE 11 - OVERTIME

- 11.1 Time and one-half (1.5) the employee's regular hourly rate of pay shall be paid for authorized work under the following conditions, but compensation shall not be paid twice (2x) for the same hours:
- A. Work performed in excess of eight (8) hours (5-8 workweek), ten (10) hours (4-10 workweek), or nine (9) hours (9/80 schedule) per day, except when the work is performed as part of a flexible schedule as provided in Article 10, Section 10.2. However, work performed in excess of ten (10) hours per day shall still be compensated with overtime pay under Article 10, Section 10.2;
 - B. Work performed in excess of forty (40) hours in any workweek, except employees on a 9/80 schedule, who shall receive overtime pay under this section for work performed in excess of eighty (80) hours in any pay period. A pay period is defined as two (2) workweeks (fourteen (14) consecutive calendar days);
 - C. Subject to the provisions of Article 12, work performed in the performance of his/her duties in court, other than during regular shift;
 - D. Subject to paragraph B above, work performed on a regularly scheduled day off, except when the day is worked in conjunction with a shift change, or with a shift adjustment to enable the employee to receive training, in which event overtime pay for work on a regularly scheduled day off shall not apply.
 - E. The County shall not split work shift to avoid overtime.
- 11.2 Overtime work shall be computed in fifteen (15)-minute increments; for example, work performed over seven (7) minutes in excess of the workday shall be compensated as one-quarter (1/4) hour of overtime, over twenty-two (22) minutes shall be compensated as one-half (1/2) hour of overtime, over thirty-seven (37) minutes shall be compensated as three-quarters (3/4) hour of overtime, etc.
- 11.3 Employees are required to report all off-duty time worked. For purposes of compensating authorized off-duty communications to an employee requiring an immediate response outside of the employee's regularly scheduled work day, work performed will be rounded up in fifteen (15) minute increments at the employee's overtime rate of pay. A subsequent call/text/communication that requires an immediate response outside of the employee's regularly scheduled work day and such communication occurs outside of the initial fifteen (15) minute increment will be compensated as a separate fifteen (15) minute increment.
- 11.4 The commanding officer in charge of a division or a shift, or his/her supervisory designee, is the only person authorized to require overtime by subordinates. An employee shall be given at least two (2) hours' notice of mandatory overtime that the employee is ordered to work, unless it is an unforeseen circumstance that could not have been identified earlier.

11.5 Employees shall have the option to take overtime as compensatory time off or in cash payment, subject to a maximum accumulation of eighty (80) hours per calendar year. Compensatory time shall be scheduled and taken off in accordance with the Fair Labor Standards Act (FLSA). The County reserves the right to cash out an employee's comp leave bank in excess of fifty (50) hours in the event the employee is promoted or becomes eligible for an incentive pay increase of at least four percent (4%). All comp leave banks as of December 31 of each year will be cashed out in the first full pay period of the following calendar year.

11.6 Safety Release:

Employees actually working sixteen (16) or more hours in a twenty-four (24) hour work day¹ shall be provided at least nine (9) hours of County-paid safety release time before beginning their next regularly scheduled shift.

- A. Notification Requirement. The employee shall advise an on-duty shift sergeant as soon possible after he/she reaches twelve (12) hours of work and reasonably believes their shift could reach sixteen (16) hours and no later than one (1) hour before reaching the sixteen (16) hour threshold, unless to do so is not feasible.
- B. Safety Release Activated. Once an employee has worked sixteen (16) or more hours in a continuous twenty-four (24) hour period:
 - a. The employee shall be released by a supervisor or OIC as soon as feasible.
 - b. The employee shall not be required to report to their next regularly scheduled shift if that shift will commence nine (9) or fewer hours from the time they leave work. Additionally, the employee shall be given County-paid safety release leave for all unworked portions of that shift.
 - c. When determining whether the Safety Release threshold has been reached, gaps between work periods of five (5) or fewer hours (i.e., shift and court, shift and callout) shall be included in the sixteen (16) hour threshold calculation.
- C. Voluntary Overtime. If an employee triggers the safety release clause as a result of working two (2) or more voluntary overtime hours in a continuous twenty-four (24)-hour period, the employee will be required to use their own leave accruals for the time away from their next regularly scheduled shift (instead of receiving County-paid safety release leave). *Note: Jail Deputies volunteering for shifts in the jail to cover*

¹ Not including hours paid but not worked, such as mandatory call-back pay.

minimum staffing are exempt from this section. This exemption does not apply to court security hours.

- 11.7 Overtime Opportunities for Non-Bargaining Unit Employees. Overtime opportunities for bargaining unit positions will be offered in the following order: (1) to Association-represented Deputies, Corporals or Detectives working in the division the overtime is posted in, (2) qualified Association-represented employees out of the division, (3) to employees qualified to perform the work who are non-represented employees and outside the bargaining unit.

Once scheduled, there shall be no opportunity to “bump” a non-bargaining unit employee from any of these assignments or work opportunities.

Sufficient time must be allowed for bargaining unit employees to sign up for bargaining unit assignments, hours and overtime before offering it to a non-bargaining unit employee. Sufficient time shall be defined as half (1/2) of the available time for overtime sign up.

ARTICLE 12 - CALL BACK AND COURT TIME

- 12.1 Call-Back: Any employee who is approved and required to report to work from off-duty status on a regularly scheduled day off shall receive four (4) hours minimum and if it is outside his/her regular shift on a regularly scheduled workday, they shall be compensated for a minimum of three (3) hours of work at the rate of time and one-half (1.5). When applicable, regular shift compensation shall not be paid in addition to compensation paid in accordance with this Article for the same hours of work.
- A. Any employee who has previously been approved for discretionary leave, or protected leave, and is then subsequently required to report to work shall be compensated at time and a half (1.5) for a minimum of four (4) hours and for every hour worked in excess of four (4) hours. The employee shall not be eligible to receive any other form of compensation for those hours worked and shall not have any time worked deducted from their discretionary leave accruals.
 - B. Employees are prohibited from requesting discretionary leave for the purpose of making themselves available to perform overtime work in another division or workgroup during the period of authorized leave.
 - C. Employees who perform work less than three (3) hours prior to the start of their regular shift shall not be eligible to receive a three (3)-hour call back minimum. Actual hours worked in these circumstances up until the commencement of the regular shift shall be compensated at time and a half (1.5).
 - D. Any employee who is out on unscheduled unprotected sick leave but is subsequently required to report to work as a result of complying with a lawfully issued subpoena, shall be paid straight time for all hours that fall within what would have been the employee's regular shift. To the extent that the subpoena requires the employee to work during hours that are outside of what would have been his/her regularly scheduled shift, the employee shall be paid time and half (1.5) or call back pay as applicable based upon the regularly scheduled shift.
 - E. Employees shall be prohibited from requesting discretionary leave for time where they have received advance notice of an event requiring their mandatory attendance including but not limited to attendance required as a result of a lawfully issued subpoena. This does not prevent employee from taking discretionary leave after the mandatory event has concluded or prior to it beginning.
 - F. If an employee takes sick leave or FMLA/OFLA leave or other state or federal protected leave for a regular shift, and then voluntarily works an overtime shift within twenty-four (24) hours of the start of the regular shift that was missed, the employee's time will be flexed, meaning that the employee will be paid straight time for the time worked and the County will credit back the employee's leave time. This Section 12.1 will not apply if an employee accepts call-back duty but is subsequently not available to report as assigned. However, if an employee accepts call-back duty, and such duty is subsequently cancelled by the County, the employee will receive the minimum four (4) hours of call-back pay as outlined in this Section 12.1. If a voluntary assignment

was less than four (4) hours, and is subsequently cancelled by the County, the employee will receive the number of hours for which they signed up.

12.2 Court-Appearance:

- A. For the purpose of this Article, court appearance by an employee shall mean a court appearance or quasi-judicial or administrative agency hearing or appearance on behalf of the County which is required because of the employee's official capacity with Washington County
- B. Any employee required to report for a court appearance more than three (3) hours before the beginning or more than three (3) hours after the end of his/her regular shift shall be compensated for a minimum of three (3) hours of work at the rate of time and one-half (1.5). For the purpose of this Article, reporting time is deemed to be one-half (1/2) hour before a scheduled court appearance.
- C. Any employee required to report for a court appearance three (3) hours or less before the beginning or three (3) hours or less after the end of his/her regular shift, shall be compensated at the rate of time and one-half (1.5) for the time elapsed between (1) the reporting time and the beginning of the regular shift, or (2) the end of the regular shift and the time the employee is released from the court appearance, whichever is applicable.
- D. Any employee required to report for a court appearance on the employee's scheduled day off shall be compensated for a minimum of four (4) hours of work at the rate of time and one-half (1.5). For the purpose of this Article, reporting time is deemed to be one-half (1/2) hour before a scheduled court appearance.
- E. If an employee complies with all pertinent Office regulations prior to the date of a court appearance, and is notified on the day prior to the court appearance that the court appearance is still scheduled and the next day is a weekend day off, then the employee shall be entitled to receive a minimum of two (2) hours of overtime (1.5) even if the court appearance is thereafter canceled.

12.3 Employees who are on off-duty status shall not be required to do work upon the completion of a specific call back or court appearance.

12.4 Public Information Officer On-Call Pay. When an employee is required to be available for call back for PIO work during assigned designated off-duty hours, the employee will be considered on-call. Employees scheduled to be on-call shall be paid one (1) hour at the employee's regular hourly rate for every eight (8) hours on-call. (This does not waive the employee's rights under Sections 11.3 and 12.1.)

ARTICLE 13 - WORKING IN HIGHER CLASSIFICATION

- 13.1 When an employee is assigned to fulfill the duties and responsibilities of a position in a classification higher than his/her own for a continuous period of more than four (4) work days, he/she shall be paid at the next higher rate of pay according to promotional policy for all time worked while assigned in the higher classification.
- 13.2 However, for training purposes, the Sheriff may assign an employee to a higher, nonsupervisory classification for a maximum of six months with the consent of the employee. When the assignment is made for training purposes, it is exempt from the higher classification pay unless the employee is in the same assignment after the conclusion of or prior to the training assignment. Employees may not be assigned to a higher classification for training purposes when a vacancy exists in the class.

ARTICLE 14 - SENIORITY

14.1 Definitions of Seniority:

- A. "Office Seniority" means the length of service by the employee in all bargaining unit classifications occupied within the Sheriff's Office cumulatively.
- B. "Division Seniority" means the cumulative length of service by the employee in all bargaining unit classifications occupied within the employee's Division.
- C. "Classification Seniority" means the length of service by the employee in the Sheriff's Office within the employee's service classification.

It shall be the responsibility of the Association to track employees' Classification Seniority.

14.2 For purposes of Classification Seniority, a probationary employee shall be treated as the same classification

14.3 Subject to the reasonable operating needs of the Office, including its needs to utilize the special skills and expertise of employees to meet staffing requirements, Classification Seniority shall be the factor in the selection of shifts, days off, holidays and compensatory time off.

14.4 Court Security Unit: Regular full-time positions shall be staffed by jail division bargaining unit employees. Of the total number of bargaining unit members from the jail division (jail deputies and corporals) assigned to the Court Security Unit (CSU), one-half (1/2) of the positions will be assigned by the County. The other one-half (1/2) of the positions will be filled by seniority bid, so long as those bidding seniority positions meet the following conditions:

- a) Prior to bidding, candidates must have met minimum standards in all performance areas for a period of one (1) year to be considered. To continue to be assigned to the unit, deputies must maintain minimum standards of acceptable performance in all areas.
- b) Sick leave use must be consistent with division average for the one (1) year preceding appointment (not including protected status leaves). Mitigating factors regarding use of sick leave will be considered by command staff when examining this requirement. Sick leave use must be maintained at division average while assigned to the CSU (not including protected leave).
- c) If the number of positions in the CSU is an odd number, the extra position will be assigned by the County.
- d) Employees will serve a three (3) year assignment to CSU. After leaving the unit for a minimum of one (1) year, the employee may re-apply or re-bid to the unit for another three (3) year assignment.
- e) There shall be a minimum of eight (8) biddable seniority positions for bargaining unit employees.

- f) Employees working CSU on seniority bid who choose to leave the unit prior to the completion of 2 years and 6 months, may return to the unit after a minimum of one shift bid has passed.
- 14.5 Those full-time employees performing Sheriff's Office classification work as listed in Article 1 (Recognition) and being funded from revenue other than County funds (e.g., federal or state funded jobs) shall accrue seniority regardless of the source of revenue they receive as a salary.
- 14.6 In the case two (2) or more employees have the same seniority date, order of seniority will be determined by a method determined by the Association, for all purposes under this Agreement. The Association will provide written notice of the result to the Sheriff. An employee whose seniority date is adjusted by reason of demotion, suspension or leave of absence will retain priority over any employee or employees having the same seniority date.
- 14.7 The County shall provide the Association with a membership list upon request, in a usable electronic format, but no more than once per month. The County shall provide the Association with written notice of new bargaining unit employees hired and of bargaining unit employees whose service has ended.
- 14.8 Lateral Hires: The County will follow the Oregon Equal Pay Law, which recognizes experience and education, when establishing the pay rate for lateral hires. Lateral hires' law enforcement experience will be recognized when placed on Schedule B.
- 14.9 The Sheriff's Office will provide the Association access to an electronic file on the Sheriff's Office electronic storage system where the Association and all employees represented by the Association can see and access this Seniority file. The Association shall be responsible for maintaining and updating the Seniority file.

ARTICLE 15 - UNIFORMS

- 15.1 If an employee is required to wear a uniform, such uniform shall be furnished to the employee by the County. The cost of the uniform including initial tailoring to make the uniform serviceable shall be paid by the County.
- 15.2 When an employee is assigned to plain clothes duty full-time, including an employee assigned as Jail Investigator, the employee shall receive a clothing allowance of seventy-five dollars (\$75.00) per month payable after his/her first complete month on duty.
- 15.3 The County shall reimburse employees for personal property reasonably and necessarily worn or carried when such property is stolen, damaged, or destroyed as a direct result of the employee's performance of his official duties. Reimbursement shall not be granted if the negligence or wrongful conduct of the employee was a substantial contributing factor to the theft, damage, or destruction. The employee must notify the District Attorney's office in writing seeking restitution for such property to qualify for this article.
- 15.4 The County will provide employees assigned to uniformed positions who are required by the County to wear Department authorized footwear with a footwear allowance of one hundred and fifty dollars (\$150.00) every year which shall be paid in the first pay check falling on a Friday in December each year.

ARTICLE 16 - TIME OFF IN LIEU OF HOLIDAYS

- 16.1 Employees shall accrue 4.0001 hours per qualified payroll period in lieu of holiday(s) time.
- 16.2 ILH shall be taken off in the same manner as vacation as described in Article 17, Vacation Leave.
- 16.3 On the first full regular July pay period, any accumulated ILH in excess of 40 hours shall be paid off in cash. The remaining 40 hours may be carried over to the next fiscal year.
- 16.4 Any additional holidays which increases the accrual rates provided to any other represented employee employed by the County or non-represented employee employed by the County shall automatically be provided to employees represented by the Association.

ARTICLE 17 - VACATION LEAVE

17.1 Upon hire, all full-time employees shall accrue vacation on the following basis:

No. of Qualified Payroll Periods	Hours of Vacation Leave Per Qualified Payroll Period
1 to 130	3.6924
131 to 260	4.6154
261 to 390	5.5385
391 to 520	6.4616
521 to 650	7.3847
651 and over	8.0000

17.2 Maximum Accrual

The maximum accrual of vacation leave for any employee shall be three hundred eighty (380) hours. The Board of Commissioners may authorize individual exemptions to this limitation. When an employee's accrual exceeds three hundred eighty (380) hours, the employee must use the excess time (over three hundred eighty (380) hours) within ninety (90) days, at the mutual convenience of the County and the employee. When an employee leaves the employer's service, the employee may be paid for not more than three hundred eighty (380) hours.

17.3 Vacation Selection

Where consistent with the reasonable operating needs of the Office, such as minimum levels of staffing, the desires of employees will be accomplished as set forth herein.

There will be two (2) vacation signups during each year, to be conducted no sooner than seven (7) days after the completion of shift and days off selection, as follows:

- A. At least seven (7) days after shift bids (as set forth in this Agreement), employees will be given two (2) opportunities, in order of seniority, to select a continuous block of vacation time, not to exceed the employees annual vacation accrual, for the six (6) month period beginning for March and September rotations. An Office vacation schedule will be determined, based on employee preference on the Division Seniority basis, and will be posted at the conclusion of the vacation bid. Employees may also state preferences for other blocks of vacation time within each six (6) month period, which will be granted by seniority or on a first-come, first-served basis as set forth in Sheriff's Office policy 405-R05.
- B. Vacations which are bid and/or scheduled may be altered by mutual written agreement between the employee and supervisor, except that a previously scheduled vacation may be altered by the Office if the employee has voluntarily changed to a different shift between the time the vacation was scheduled and the time it would

otherwise be taken. Vacations not scheduled in this manner will be scheduled on a first come basis by mutual written agreement between the employee and supervisor. With the approval of the employee's supervisor(s), employees may trade vacation schedules. Any such trade must be documented in writing by all involved parties.

- C. When seniority between different classifications is involved, Division Seniority in the different classifications represented by the Association will be the determining factor provided that there will be no interference with the rights or prerogatives of the County under the Management Rights Article of this Agreement and non-represented employees may not be used as a basis to deny or alter the vacation selection process.

17.4 Payment of Leave

An employee who is terminated or laid off shall be compensated for his/her accrued and unused leave. In the event of death, payment of vacation leave in lieu of holiday leave and compensatory time accruals, shall be made to the surviving spouse, and if there is none, then to the employee's estate.

17.5 Donated Vacation or Holiday Hours

Employees may donate accrued but unused vacation or holiday hours to another employee under the following conditions: (1) The donation is truly voluntary; (2) the donating employee receives no payment for the donated time; and (3) the employee to whom the time is being donated has less than one hundred (100) hours accrued vacation, holiday and sick leave; and (4) the employee receiving the donation must provide a health care provider certification (including estimate of time away from work) attesting to a serious health condition that would preclude them from performing the duties of their job or attesting that the employee is needed to care for a member of the employee's immediate family with a serious health condition or to care for the employee's immediate family member as otherwise allowed by state or federal law.

- 17.6 Time off requests (Vacation/ILH) submitted in excess of sixty-seven (67) days prior to the time requested shall be granted or denied sixty (60) days prior to the time requested. Time off requests (Vacation/ILH) submitted between sixty-seven (67) and fourteen (14) days prior to the time requested shall be granted or denied within seven (7) days of receipt. Time off requests (Vacation/ILH) submitted less than fourteen (14) days prior to the time requested shall be granted or denied within two (2) days of receipt.

- 17.7 Future Improvements. If the County improves Vacation Leave accruals, and/or increases the cap on Vacation accruals, for non-represented hourly employees, bargaining unit employees will receive the same improvements.

17.8 Certified Lateral Employee Vacation.

A newly hired Certified Lateral Employee shall accrue vacation using an accrual matrix set forth based upon total years of previous relevant work experience as a full-time public

safety employee at another law enforcement agency (or agencies) plus time served at the Sheriff's Office will count toward years of service.

A newly hired Certified Lateral Employee shall be provided with forty (40) hours vacation leave upon verification of DPSST certification.

ARTICLE 18 - SICK LEAVE

18.1 Employees shall accumulate sick leave at the rate of 0.0462 hours for each hour worked. Sick leave accumulated prior to the date of execution of this Agreement shall be credited to each employee's accumulated sick leave. The maximum accrual of sick leave for any employee shall be ninety-six (96) hours per calendar year. Any unused sick leave may be carried over and used in the following calendar year. Sick leave may be accumulated without limit. Except for conversion of sick leave benefits pursuant to the Public Employees Retirement (PERS) Act, sick leave shall not be paid upon termination or death.

18.2 Use of Sick Leave

An employee who is unable to perform his/her duties by reason of personal illness or injury, pregnancy, necessity for health care, exposure to contagious diseases or viruses, or for any reason covered by applicable laws and statutes governing the use of sick leave may utilize his/her accrued sick leave.

- A. In the event that an employee requires the use of sick leave for more than three (3) consecutive scheduled workdays, he/she may be required to provide verification from a health care provider (HCP), or other satisfactory evidence of the need to use sick leave.
- B. Sick leave not to exceed five (5) consecutive days per incident shall be authorized because of illness in the employee's immediate family, if the employee's attendance is necessary to help care for an immediate family member. Use of qualifying sick leave will be considered protected leave up to the amount allowed under the Family Medical Leave Act, the Oregon Family Leave Act and other applicable laws and statutes governing the use of sick leave.
- C. In the case of an employee's personal illness, exposure, or injury, notification should be given of the employee's intent to use accrued sick leave as soon as is practicable. For a temporary absence covered by sick leave which is predictable, i.e., surgery or pregnancy, the employee shall give the County sufficient notice to plan for staffing during the employee's absence and shall provide the County with a written statement from the attending HCP stating the date the leave is to begin. The employee shall notify the County as soon as the attending HCP releases the employee to return to work.
- D. As used in this Article, "immediate family" means the employee's spouse or spousal equivalent and their parents, stepparents, adoptive parents, foster parents, biological or adopted children, foster children, sisters, brothers, grandparents, grandchildren, whether or not residing with the employee, and father-in-law, mother-in-law, brother-in-law, sister-in-law, son-in-law, daughter-in-law, and other close relatives who reside in the employee's household unless otherwise provided by law.
- E. Employees who are taking qualified "parental leave" under the FMLA or OFLA may elect to use up to the equivalent of twelve (12) weeks of accrued sick leave prior to

using other accrued paid leaves. Once twelve (12) weeks of accrued sick leave has been used, the employee will be required to use all other accrued paid leave (includes vacation, holiday (ILH) and comp time) for the duration of their qualified “parental leave” prior to beginning unpaid leave. Upon exhaustion of all other accrued paid leave, an employee may elect to use any remaining accrued sick leave or may begin unpaid leave for the duration of their qualified “parental leave.” The County will use a rolling forward calendar year when calculating available FMLA/OFLA leave for the employee.

18.3 Abuse of Sick Leave

Where there is probable cause to believe that an abuse of sick leave has occurred, either by patterns or extent of utilization, or otherwise, the employee suspected of abusing sick leave may be required to furnish a HCP’s certificate for each use of sick leave for a period not to exceed one (1) year. Prior to being required to furnish HCP’s certificates for each use of sick leave the Sheriff’s Office must conduct a full fair and complete investigation, pursuant to Article 31 and sustain an abuse of sick leave violation. In addition to the requirement to furnish HCP certificates for each use of sick leave, proven abuse of sick leave may be cause for disciplinary action including discharge. Due to HIPAA and privacy issues, all abuse of sick leave investigative materials will be provided by the County directly to the Association’s designated legal counsel rather than an Association-employee representative.

18.4 Sick Leave Without Pay

Upon application of an employee sick leave without pay shall be granted by the County for the remaining period of disability after earned sick leave has been exhausted. Due to HIPAA and privacy issues, a copy of the employee’s application and/or the County’s denial/approval of the employee’s application will be provided by the County directly to the Association’s designated legal counsel rather than an Association-employee representative. The maximum amount of sick leave without pay allowable shall be determined on the following basis:

Years of Service	Maximum Sick Leave Without Pay
Less than 5	Sixty (60) days
5-10	Ninety (90) days
Over 10	One hundred and twenty (120) days (with approval of Board of Commissioners)

Satisfactory evidence may be required by the County the same as in Section 18.2A above.

18.5 Future Improvements. If the County improves Sick Leave accruals for non-represented hourly employees, or employees in a bargaining unit that are not represented by WCPOA, WCPOA bargaining unit employees will receive the same improvements.

18.6 Paid Leave Oregon

Beginning January 1, 2023, the State of Oregon will require that Washington County and its employees comply and contribute to Paid Leave Oregon to fund the state's paid family, medical and safe leave benefits. Employees shall be responsible for the employee contribution as determined by state law.

18.7 Immunization and Testing

If, in the conduct of official duties, an employee is exposed to serious communicable diseases which would require immunization or testing, the employee, upon prior notification to the supervisor, shall be provided immunization against or testing for such communicable diseases without cost to the employee where immunization may prevent such disease from occurring.

ARTICLE 19 - OTHER LEAVES

19.1 Leave of Absence Without Pay

A. Leaves of absence without pay for a limited period not to exceed ninety (90) days may be granted by the Sheriff or designee for any reasonable purpose consistent with the needs of the Sheriff's Office. Reasonable purpose may include time off for temporary disability after the physician has released the employee to return to work.

B. Request for such leave must be in writing and must provide reasonable justification for such request. Such leaves may be renewed or extended for any reasonable period of time, however, leaves of absence without pay in excess of ninety (90) days require a recommendation from the Sheriff or designee to the County Administrator or designee and require approval by the County Administrator or designee. No leave will be granted to any employee who accepts employment in any other capacity.

C. A regular employee shall not be authorized a leave of absence without pay until all accumulated qualifying leave accruals shall have been applied toward payment for the absence. Such leave will also result in a non-qualified pay period for each pay period in unpaid status.

19.2 Jury Duty and Witness Appearances

A. Employees shall be granted Leave with Pay when required to report for jury duty or as a witness in cases in which the employee has no interest. The employee shall waive all witness fees or pay for jury duty, except mileage expense, unless the employee receives said compensation while on an authorized leave of absence without pay. County part-time employees will be granted jury or witness leave only if the jury or witness duty coincides with the employee's regularly scheduled hours.

B. An employee required to report for jury duty or as a witness may be excused, with approval from the employee's supervisor, from appearing for the employee's normal shift on that workday if the jury duty or witness responsibility exceeds four (4) hours.

C. If jury duty or witness responsibilities continue for four (4) hours or less, employees on the day shift shall report for the remainder of their workday. Employees on other than day shift shall have the number of hours spent on jury or witness duty deducted from their normal shift on that workday and shall report for the first remaining hours of their work shift.

19.3 Leave for Educational Purposes

A. After completing one (1) year of service, the employee, upon request, may be granted a leave of absence, without pay, for educational purposes related to their employment, at an accredited school. The period of such leave of absence shall not exceed one (1) year, but it may be renewed or extended at the request of the employee, when necessary, upon approval by the County.

B. Employees may also be granted leaves of absence with or without pay for educational purposes for reasonable lengths of time to attend conferences, seminars and other functions of a similar nature that are intended to improve or upgrade the individual's skill or professional ability, provided it does not interfere with the operation of the County.

19.4 Military or Peace Corps Leave

A. Military, alternative service and Peace Corps leave shall be granted in accordance with the Oregon Revised Statutes, federal law, and County policy. Notwithstanding any other provision of this Agreement, an employee's work schedule will be adjusted to provide time off to attend military weekend drills.

B. Military Leave shall be compensated by the County for any missed regularly scheduled workdays within a fifteen (15) consecutive calendar day period in a calendar year. In lieu of taking Military Leave consecutively, an employee may be paid up to eleven (11) workdays if Military Leave is taken in one (1) or two (2) day increments.

C. After the County has paid an employee for available Military Leave in a calendar year, an employee may choose to use any accrued leave or leave without pay for additional Military Leave in the calendar year.

19.5 A. Food, lodging and travel expenses, or any of them, shall be paid by the County according to an approved per diem schedule and receipt of proper detailed County expense form, to an employee required to attend a conference or business meeting when said conference or business meeting is held at locations other than the employee's regular home or job location.

B. The County shall pay tuition and instructional material costs of any employee required by the County to attend a regular course of instruction. An employee who voluntarily attends a course of instruction which is directly related to the business of the County may receive tuition from the County if the employee has successfully completed the course of instruction, and prior to the employee attending the course of instruction, if the County agrees in writing to pay tuition and costs.

19.6 Workers' Compensation Supplement

A. All employees are insured under the provisions of the Oregon State Workers' Compensation Act for injuries received during the scope and course of employment for the County. The day of the injury shall be considered a workday, and employees will receive their normal salary for that day. In order to receive workers' compensation leave, the employee must have completed the workers' compensation forms as well as the County's safety report. A supervisor, or employee's designee, may complete the necessary forms and reports in the event an employee is incapacitated or unable to do so.

B. An employee who sustains any injury compensable under the workers' compensation law, and is eligible for workers' compensation time loss payments (replacement

wages), shall receive from the County regular straight time wages (including incentive or specialty pay (except motorcycle officer), education pay and certification pay) for a period not to exceed one hundred and eighty (180) calendar days from the date upon which time loss payments commence. These wages will commence after the required three (3) day waiting period has been met and are calculated based upon the employee's regular working schedule exclusive of overtime. These County-provided wages are provided in lieu of time loss payments generally issued by the County's Workers' Compensation Third Party Administrator. If, after the one-hundred and eighty (180) calendar days period the employee is still eligible for time loss payments under workers' compensation law, the employee will begin receiving those time loss payments directly from the County's Third Party Administrator. In accordance with ORS 656 the employee receives compensation equal to 66-2/3 percent of wages, which is not taxable income. The employee may then use accrued leave to cover the difference between workers' compensation payments and the employee's pay under the workers' compensation leave provision. Sick Leave without Pay shall be granted after all accumulated sick leave has been exhausted.

- C. The employee may utilize the workers' compensation leave provision only while receiving workers' compensation payments. Employees shall not complete qualified payroll periods after the one hundred and eighty (180) calendar days' workers' compensation leave.
- D. The employee shall be responsible for notifying their supervisor and County Risk Management as soon as the employee is permitted to return to work on a limited or Full-time basis. Failure to notify the County shall be cause for disciplinary action. Employees who are medically authorized to perform light duty and who elect not to accept a light duty assignment shall not continue to receive the workers' compensation supplemental pay from the County.
- E. Employees shall not be required to use leave for medical appointments related to a workplace injury. Time spent traveling to and from and attendance at any medical appointments related to a workplace injury shall be paid by the County, if such travel occurs during an employee's regularly scheduled workday. Employees released to light or limited duty from a work-related injury will not be required to change shifts. However, if an employee declines a light or limited duty assignment, whether on the same or different shift, it may impact their payment under this Section 19.6, and/or payment under ORS 656.

19.7 Bereavement Leave

- A. An employee shall be allowed five (5) work days off with pay for death and/or bereavement leave related to death in the employee's immediate family. For purposes of this paragraph immediate family means the employee's spouse or spousal equivalent and their parents, children, sister, brother, grandparents, and grandchildren, father-in-law, mother-in-law, brother-in-law, sister-in-law, whether or not residing with the employee, and other close relatives who reside in the employee's household.

B. An employee qualified for leave under the Oregon Family Leave Act (OFLA) will be allowed up to two (2) weeks of unpaid bereavement leave for the death of a family member qualified under OFLA. The two weeks of bereavement leave granted is inclusive of any bereavement leave taken under this section and all bereavement leave must be completed within sixty (60) days from the date the employee was notified of the death of the family member. OFLA bereavement leave is to be taken in one continuous block of time. An employee may choose to use any accrued leave during their OFLA bereavement leave.

C. Under exceptional circumstances, leave for death may be granted by the Sheriff upon death of a relative other than the employee's immediate family. The County agrees to abide by any change in the law regarding bereavement leave.

19.8 Governmental Appointments

An employee shall be granted full duty status whenever an employee is appointed to a position by the Sheriff, Washington County Commissioners, DPSST, the Attorney General, the Governor of the State of Oregon, or the President of the United States. The appointment must be related to the employee's official duties as an employee of the Washington County Sheriff's Office.

19.9 Leave to Participate in Managed Care Organization (MCO)

A. The parties have agreed to establish guidelines for the participation of Association members with accepted workers' compensation claims that meet certain criteria in a Managed Care Organization (MCO) through CorVel, the County's currently contracted workers' compensation third-party claims administrator.

B. The goal of this MCO partnership is to help ensure employees are receiving the most appropriate and timely health care available, and to ensure that employees are receiving the best health care available for their work-related injuries. A MCO is a group of health care service providers that provide managed health care services to enrolled injured employees. Health care services are provided through participating care providers (physicians and/or other health care specialists (HCPs)). Washington County MCO HCPs will be affiliated with either Providence or Kaiser health insurance plans because these health insurance plans are currently the health insurance plans available to employees of the County.

C. The intent of the MCO is to provide additional oversight and experience for the sole purpose of ensuring that injured employees receive the best health care and treatment possible, to maximize positive recovery outcomes and successfully return to work. The MCO partnership includes such things as: HCP recommendations that may better match an employee's treatment needs, recommendations of different treatment courses if current ones are not progressing toward recovery, or extending current treatment courses, all with the intent of promoting maximized health care improvement for injured employees.

D. At no cost to any employee Washington County will enroll currently accepted and future workers' compensation claims in the MCO partnership program based upon the

standard enrollment requirements set forth below. Standardized enrollment requirements for all employees will promote fairness and objectivity for affected employees. Employees will be enrolled in the MCO if their claim meets one (1) of the following criteria:

1. Primary criteria: The injured employee will be enrolled in the MCO if their HCP expects them to be fully off work for thirty (30) consecutive or thirty (30) non-consecutive calendar days or more.

2. Secondary criteria: The injured employee will be enrolled in the MCO if they have not been released to full regular duty by their attending HCP within ninety (90) consecutive calendar days from the date of injury or date the injury was accepted for workers' compensation coverage, whichever was later.

3. Alternate criteria: For possible exceptions to the primary/secondary criteria listed above, or for consideration of MCO enrollment on any claim that warrants their involvement, the County Risk Manager, in consultation with the injured employee and the injured employee's chosen HCP, reserves the right to make this decision based on a review of available information. Such criteria could include, but is not limited to, workers' compensation claims extending over multiple years or continued HCP treatment for an injured employee over an extended period of time that does not appear to be moving the injured employee toward recovery.

4. Injured employees enrolled in Rebound Services will NOT be subject to MCO enrollment at any point during their claim.

E. Washington County may in its sole discretion elect to end the MCO program at any time and for any reason.

F. Participation by the Association-represented employees in the MCO program is not intended to abrogate any right or requirement pursuant to workers' compensation law.

G. On a quarterly basis Washington County shall provide to the Association President a list of the names of Association-represented employees that have been enrolled in the MCO program.

ARTICLE 20 - ADMINISTRATION OF THE SALARY PLAN

- 20.1 The following rules shall govern the use of the salary ranges set forth in Schedule A, which is made a part thereof.
- A. Oregon Equal Pay Law. All pay, to include regular wages and incentive pays will be determined in line with the provisions of the Oregon Equal Pay Law. The Oregon Equal Pay Act of 2017 (HB 2005) was introduced to reduce pay disparities and expand protections for employees who are subject to discriminatory pay practices. All decisions regarding employee pay must be made in compliance with ORS 652.220, which prohibits discrimination in the payment of wages for work. Compensation for work of comparable character and skill must be equitable and not discriminate against protected classes.
- However, the County agrees and specifically recognizes that exceptions exist in accordance with ORS 652.220 (2)(a)(A) (seniority system – which is set forth in this CBA) or ORS 652.220(2)(b) – where a collective bargaining agreement, such as this CBA, provides for different compensation levels.
- B. Rates of Pay. Each employee shall be paid at one (1) of the steps of the range prescribed for the classification. Specifically, ORS 652.220 provides that differing pay rates for employees performing work of comparable character will be based upon one or more bona fide factors as follows:
1. A seniority system.
 2. A merit system.
 3. A system that measures earnings by quantity or quality of production, including piece-rate work.
 4. Workplace locations.
 5. Travel, if travel is necessary and regular for the employee.
 6. Education.
 7. Training.
 8. Experience.
 9. Any combination of the factors described in the subsection above, if the combination of factors accounts for the entire compensation differential.
- C. For all purposes, an employee's anniversary date shall be the date the appointment, promotion or reinstatement occurs. However, changes in the wage rate shall be effective the first day of the payroll period in which the day of appointment or promotion occurs.

The Performance Evaluation shall be subject to the grievance procedure only if it is the basis for withholding a merit increase or incentive pay.
- F. Promotions. A promotion is an appointment to a position in a classification which has a higher maximum salary rate than the employee's present classification. However, the final pay will be determined by utilizing both methods listed below. The promotional pay shall be determined by the method that yields the higher pay rate.

The Hiring Compensation Decision Matrix and Compensation Request Form compares the employee's education and experience with the minimum qualifications for the promotional position and assigns an appropriate salary,

hourly rate, or step in the new range of the promotional position. A copy of the salary analysis will be provided to the impacted employee and the Association President upon request.

- Human Resources will determine the salary, hourly rate, or step in the new pay range that is closest to a five percent (5%) increase but is not less than three percent (3%) above the employee's base pay rate immediately prior to the date of promotion.

- G. Voluntary Classification Demotion or Demotion in Lieu of Layoff. A position transfer is an appointment to a position in the same classification and the employee's pay remains the same.

copy of the salary analysis will be provided to the impacted employee and the Association President upon request.

- 21.7 DPSST Police Certification. Employees who have earned the DPSST Police Certification and are employed by the County in a classification (other than a recruit or trainee classification) that the County requires to possess such certification, who have reached Step A of the classification, and have received an annual evaluation that meets or exceeds standards for the prior evaluation year, shall receive a premium of two and one-half percent (2.5%) of base salary. If the employee is deemed to be performing below standard, the employee will be placed on a performance improvement plan. The employee shall continue to receive DPSST Police Certification incentive pay during the term of the employee's performance improvement plan, which shall not exceed one hundred and eighty (180) days. If the employee fails to meet the performance improvement plan, the employee will be subject to loss of DPSST Police Certification incentive pay. A lateral who is hired already possessing DPSST Police Certification, or the ability to obtain it, will receive the DPSST Police Certification incentive immediately upon obtaining it, but thereafter to continue to receive it, the employee must continue to perform competently. Any Deputy who is assigned a training coordinator position within the training unit will receive their regular pay plus an additional incentive of five percent (5%) of their base salary for the additional responsibilities essential to the assigned role. If a Corporal is assigned to fill one of the assignments, the selected Corporal will not receive the additional compensation in addition to their regular pay. If a Deputy assigned as a Training Coordinator and receiving the five percent (5%) incentive is later promoted to Corporal, the rate of pay will be adjusted to a step in the Corporal pay range in accordance with promotional guidelines and the five percent (5%) incentive will cease. Normal workdays/hours will be Monday - Thursday, 0800- 1800 unless otherwise agreed upon by the SIU supervisor and Jail Investigator, with weekend and after-hours availability for critical incidents.

The Jail Investigator will not receive "out of class pay" as outlined in Article 13 of the CBA or Section 3.11 of the County Personnel Rules as this assignment will not be

considered an out of class or higher class assignment but rather a career development assignment filling a specific need for both the Jail and Investigations Divisions.

ARTICLE 22 - TRANSITIONAL (LIGHT) DUTY ASSIGNMENT AND PAY

- 22.1 An employee who is unable to perform the regular duties of their position because of a compensable injury may be assigned by the County to other work which they are qualified and physically able to perform, whether such work is or is not of a type normally performed by employees in the bargaining unit. The County will make best efforts to retain the employee in their assigned shift days and hours.

Nothing in this Article shall prohibit the County from offering a transitional duty assignment that is on different shift days and/or hours if the County determines this to be in the best interest of the County and the employee. Such positions or work assignments are temporary and at the discretion of the County. Employment in transitional duty shall not cause a reduction in the employee's regular compensation or benefits. The employee will receive their regular compensation and benefits while working in a modified or transitional duty assignment. The County reserves the right to discontinue or change any transitional duty at any time.

ARTICLE 23 - DETECTIVE CLASS

- 23.1 Unless the affected employee consents, an employee who holds the position of Detective shall not be transferred to any other position paying equivalent or lesser wages; provided, however, that this Section should not apply to a reduction in staff caused by a layoff as provided in Article 33 and shall not affect the right of the County to discipline employees.

ARTICLE 24 - ASSOCIATION REPRESENTATIVES

- 24.1 Members of the bargaining unit selected to serve as authorized representatives (E-Board members) shall be certified in writing to the Sheriff by the President of the Association. Representatives will normally be expected to perform Association business on their own time. When an E-Board meeting requires on-duty members' attendance, not more than three (3) members will be allowed to attend the meeting on duty time, unless it would create a hardship to the County. On-duty E-Board members shall be allowed no more than two hours away from duty to attend E-Board meetings. With the approval of their respective supervisors, they may exceed two (2) hours, but shall use their own time or Association leave as authorized by the Association President.
- 24.2 The Association's President shall be assigned a standard day shift and days off schedule within the President's Division as determined by the Association. If the Association votes to put its President on half-time Association-paid status, the Association may elect such status in lieu of Section 25.1. Such election will be for a period of time determined by the Association, but not to exceed the duration of the contract. In such event, the Association's President will be placed on a half-time status for purpose of work schedule, full-time pay and benefits, provided the Association reimburses the County for one-half of wages, incentive pay, and allocable fringe benefits costs.
- 24.3 The Association shall be provided three hundred (300) hours paid leave per year which shall be taken in increments no smaller than 15 minutes for Association business. An additional one hundred and fifty (150) hours paid leave per year will be provided for on-duty Association Representatives who are representing an employee who is the subject of an investigation. This total amount is to cover work on behalf of both WCPOA bargaining units and is not in addition to the Association leave provided in the Support WCPOA bargaining unit.

Association leave may be taken for any purposes attendant to the administration or negotiation of the contract, including attendance at negotiations, labor seminars, hearings before the Employment Relations Board, arbitration, fact-finding and mediation sessions, and any labor relation matters not covered in Section 24.1 or Article 25 of this Agreement as follows:

The County shall immediately notify the Association President of requests for representation in disciplinary interviews. If the President cannot be reached, the notice shall be provided to the Association's Secretary-Treasurer. If

the Secretary-Treasurer cannot be reached, then the notice shall be provided to a member of the Association's Executive Board.

- C. All Association time must be documented by the individual(s) using the Association Time. Association time shall be submitted to the County each pay period by the individual(s) using the time.

- 27.2 **Commuting Time.** The parties agree that commuting to work to a duty location within the normal commuting distance of the employee or within a thirty (30) mile radius of the employee's regular worksite, whichever is greater, does not constitute "hours of work" unless called to duty during the commute, regardless of whether the employee is utilizing a County or personal vehicle.

ARTICLE 28 - MANDATED BENEFITS

- A. The County shall maintain the existing retirement plans -- Public Employees Retirement System (PERS) and Oregon Public Service Retirement Plan (OPSRP) -- for employees eligible to participate in the respective plans.

Coverage under these plans is subject to the carriers' eligibility requirements. The County agrees to provide dental and vision insurance, similar to coverage currently offered through Delta Dental or Kaiser Dental; or plans of other carriers offering equal to overall benefits, subject to the following:

For the duration of this Agreement, the County will provide the following health insurance options:

- PPO: A **High Deductible Plan** and a **Low Deductible Plan** through Providence or a substantially similar plan with reasonably comparable overall benefit.
- HMO: A **High Deductible Plan** and a **Low Deductible Plan** through Kaiser HMO or a similar plan with reasonably comparable overall benefit

The County and the Association agree to participate in the County Wellness Points Committee comprising no more than fifteen (15) members, of which up to four (4) members will be appointed by the Association. This work group will seek information and input from the County's benefits consultant as it determines the wellness point system. In the event the work group is unable to reach a consensus on the wellness point system, the system shall be determined by the County and will be subject to interim bargaining with the Association under ORS 243.698.

Each plan under the PPO and HMO will have its own established rate based on actuarial cost of the plan. The County's maximum contributions for medical, dental and vision will be ninety percent (90%) for the plan selected by the employee, and the employee will contribute ten percent (10%).

For those employees that meet the Wellness Points requirement, the County's maximum contribution for medical, dental, and vision will be ninety-five percent (95%) for the selected plan by the employee, and the employee will contribute five percent (5%).

To qualify for the lower employee premium contribution rate, the employee is required to meet wellness point requirements as determined by a work group of the County Wellness

Points Committee. Wellness points earned in each calendar year will determine the employee's premium contribution rate for the following calendar year.²

Should the County determine that health insurance premiums may increase by ten percent (10%) or more over the preceding year, either the County or the Association may use ORS 243.698 et seq. to reopen discussion concerning the restructuring of contribution rates and/or a restructuring of benefit plan design. The parties agree to a thirty (30) day mid-term bargaining period in the event a reopener is exercised.

The County acknowledges and agrees that the County also has an obligation to bargain with the Association pursuant to ORS 243.698 about the impacts/effects of any changes to mandatory subjects of bargaining that are not deemed to be reasonably comparable to the overall benefits in the current health and welfare benefits and/or health and welfare plan designs. However, the parties agree that the expedited bargaining period shall be thirty (30) days.

29.2 Opt Out Provision

The County will provide a contribution to a VEBA account in the amount of one hundred and twenty-five dollars (\$125) per month (equally divided and paid on the first two (2) pay periods of the month only) for eligible employees that choose to opt out of the County's medical, dental, and vision insurance plans. In order to qualify for the Opt Out contribution, the employee must provide proof that they are covered by another qualified group health plan that meets the minimum value requirements set forth under the Affordable Care Act.

unit member's Standard HRA VEBA account.

This section is in addition to and does not replace the County contribution previously negotiated.

Funds in the Standard HRA VEBA Member Account shall only be used for member health insurance premiums or health care expenses, as allowed by law. There shall be no individual Association member election/option available to take any such amounts in unrestricted cash.

VEBA accounts are administered in accordance with Internal Revenue Code Section 501(c) (9). The employee, and not the County, shall be responsible for any tax due on non-qualified distributions from their VEBA accounts.

In the event the work group is unable to reach a consensus regarding benefits plan design, such benefits shall be determined by the County and will be subject to interim bargaining with the Association under ORS 243.698.
- 29.9 Deferred Compensation. If the County implements a Deferred Compensation Plan for non-represented hourly employees, bargaining unit employees will participate in the same Deferred Compensation Plan.

Each employee may respond in writing to any item placed in that employee's personnel file and that response shall become a part of the file.

The designated Association representative may not be required to disclose, or be subject to discipline for refusing to disclose, information related to matters received from the employee in the course of representing the employee in the investigation.

At least twenty-four (24) hours prior to the interview, the interviewer will inform the employee who is the subject of the investigation, and the Association representative(s), about the allegations being investigated. The interviewer, the Association and the employee being investigated may record the interview.

The County will notify the Association and the affected employee when a request to extend any of the time frames related to an internal investigation or SRIM is granted.

Maryland*, 373 U.S. 83 (1963)) shall be laid off due to the inability to perform an essential function of their job. WCPOA shall not grieve or otherwise contest the layoff action.

ARTICLE 32 - GRIEVANCE PROCEDURE

32.1 Any grievance or dispute which may arise between the parties, regarding the application, meaning or interpretation of this agreement, may be settled as set forth below. For disciplinary grievances involving law enforcement officers (as defined by ORS 131.930), arbitrator selection shall be in accordance with ORS 243.808, 243.809 and ORS 243.812.

Step 1. The employee and/or the Association may take up the grievance or dispute within fourteen (14) calendar days of its occurrence; or within fourteen (14) calendar days of when the employee should reasonably have become aware of the occurrence. The grievance shall be reduced to writing, setting forth its basis. The Step 1 grievance will be filed with the Undersheriff. The grievance will then be referred to the supervisor or authority who is responsible for the Step 1 response and WCPOA will be notified. The supervisor or authority receiving the Step 1 grievance shall then attempt to adjust the matter and respond to the grievant within fourteen (14) days in writing. A disciplinary action involving discharge, demotion, or suspension of greater than one (1) day taken against a career employee shall be initiated and grieved by the Association or the employee at Step 2 of the grievance procedure.

Step 2. If the grievance has not been settled, the grievance may be presented by the Association to the Sheriff within fourteen (14) calendar days after the response from the supervisor or responding authority at Step 1 is due. The Sheriff shall respond to the Association in writing within fourteen (14) calendar days of receipt of the grievance.

Step 3. If the grievance remains unadjusted, it may be presented in writing by the Association to the County Administrator or their designee, within fourteen (14) calendar days after the response of the Sheriff is due. The County Administrator or their designee shall respond in writing to the Association within fourteen (14) calendar days after receipt of the grievance.

Step 4. If the grievance still remains unadjusted, only the Association and not the employee may, within fourteen (14) calendar days after the reply of the County is due, serve written notice of the Association's intention to arbitrate the grievance. Such notice shall be in writing and delivered to the County Administrator.

32.2 A. After the Association has indicated the Association's desire to take a grievance to arbitration, the Association shall request the Employment Relations Board (ERB) for a list of names of seven (7) Oregon arbitrators. The parties shall select an arbitrator from the ERB provided list by such method as they may jointly elect or, if they are unable to agree on such method, then by the method of alternative striking of names under which the party striking the first name shall be determined by lot.

B. Nothing in this Section or Article shall prohibit the parties from mutually agreeing upon an arbitrator from the list provided by ERB. The Arbitrator's decision shall be final and binding, but the Arbitrator shall have no power to alter, modify, add to or detract from the terms of the Agreement. The Arbitrator's decision shall be within the scope and terms of the Agreement and in writing. The Arbitrator fee and expenses shall be borne by

the loser as determined by the Arbitrator. All other expenses shall be borne exclusively by the party requiring the service or item for which payment is to be made.

C. If either party desires a verbatim recording of the proceedings, it may cause such a record to be made, provided it pays for the appearance fee, record and makes a copy available without charge to the Arbitrator. If the other party desires a copy, both parties shall jointly share in all costs of producing three (3) copies of the transcript.

- 32.3 Oral and written reprimands may not be grieved. However, within seven (7) days of its receipt, a written reprimand may be submitted by the reprimanded employee and/or the Association to the Sheriff for review. The Sheriff's decision on review is not subject to appeal.
- 32.4 Time lines specified in this Article may be waived or extended only upon mutual written agreement of the parties.

ARTICLE 33 - LAYOFF AND RECALL

33.1 Layoff

A. Classification to be Reduced

The County shall determine the classes and numbers of positions to be affected by layoff. The Sheriff shall request the Personnel Department to prepare a layoff list for each classification to be reduced. The Personnel Department shall supply the Association with copies of seniority and layoff lists for each classification not less than twenty-one (21) calendar days before the effective date of layoff.

B. Layoff List

In the event of layoff, employees shall be laid off in the inverse order of their classification seniority as defined in Article 14.

C. Notification of Layoff

In every case of layoff of an employee, the employee and the Association shall be notified in writing twenty-one (21) calendar days before the effective date thereof. The notice shall state (1) the effective date of layoff, (2) that the layoff is for reasons not reflecting discredit on the employee, and (3) that the employee has the right to bump, but must exercise this option within seventy-two (72) hours of notification of layoff.

D. No employee represented by WCPOA shall be laid off due to lack of work or lack of funds prior to all non-represented part time, temporary, seasonal or variable hour employees performing bargaining unit work of the WCPOA.

33.2 Bumping

A. Bumping Rights

An employee who is laid off may “bump” to an equal or lower classification in the bargaining unit, provided that the employee is qualified for the work involved and has greater seniority in the bargaining unit than the least senior employee in the classification the employee seeks to bump into.

B. Bumping Restricted to Classification Groups

Bumping shall be permitted only within classification groups. For definitional purposes, the following classification groups are identified: (1) Detective, Corporal, Deputy, Civil Deputy, Recruit Deputy; (2) Jail Corporal, Jail Deputy, Civil Deputy, Jail Recruit; and (3) Forensic Analyst, Forensic Technician 2 and 1, Evidence Officer Senior, 2 and 1.

C. Requests to Bump

Employees to be laid off shall submit written requests to bump to the Sheriff with a copy to the Association within seven (7) calendar days of the date of official notification of the layoff. The County shall notify the employees and Association in writing whether bumping requests are granted or denied. If denied, the reasons shall be stated. If a written request to bump is granted, the employee bumped shall, in turn, acquire the rights under this Section.

D. Bumping into the Bargaining Unit

A non-bargaining unit employee has no bumping rights to displace a represented employee. If a vacancy exists, any eligible employee may voluntarily be placed into a bargaining unit position for which they qualify.

33.3 Recall

Employees shall be recalled from layoff in the reverse order in which they were laid off provided the employee is qualified. The term of eligibility for recall of a laid-off employee shall be eighteen (18) months from the date of layoff. If an appointing authority refuses to reinstate a laid-off employee certified to a vacancy in a classification for which the employee qualified, the refusal shall be deemed a dismissal, and shall be subject to the provisions concerning discharge and discipline in this Agreement.

33.4 Rate of Pay on Appointment from Layoff List

When an individual is appointed from a layoff list to a position in the same class in which the person was previously employed, the employee shall be paid at the same salary step at which such employee was being paid at the time of the layoff. The employee shall begin to accrue benefits and status toward merit increases as if there has been no break in service.

33.5 Removal of Names from Recall List

- A. The Human Resources Division may remove the name of a person from a recall list if the laid off employee fails to return to work within sixteen (16) days from actual written notice of the recall. Actual notice shall consist of written notice sent by certified mail.
- B. The failure by the employee to return to work within twenty-one (21) days of the sending of written notice of recall by certified mail shall result in the employee's name being removed from the recall list.
- C. The County shall notify the Association in writing upon the sending of any certified mail notice in Section 33.5, of the names, addresses and telephone numbers of the employees receiving such notices. The County shall also provide the Association with copies of all layoff notices upon the sending of such notices.
- D. Employees on the recall list must advise the County of any changes in address or telephone numbers.

E. Vacation Leave

1. An employee who is laid off will be paid for unused vacation leave at their regular rate of pay, provided the employee has completed at least thirteen (13) qualified payroll periods of service and is eligible for vacation benefits. An employee's rate of accrual for vacation leave will remain the same as it was at the time of layoff upon reappointment from the recall list.
2. Employees who wish not to be paid for accrued vacation time when laid off may request this in writing to the Human Resources Division at least three (3) days before the last day worked. The accrued vacation days will be held for a maximum of eighteen (18) months from layoff. Requests for payment of accrued vacation days must be submitted in writing to the Human Resources Division. Vacation time not paid to the employee will be restored in the same manner as sick leave (See Section 33.5 F) upon reappointment from the recall list.

F. Sick Leave

Employees who are laid off will retain their accrued sick leave during the time they are on the recall list. Accrued sick leave will become available for use upon reappointment from the recall list. Sick leave is lost when the term of eligibility for recall expires.

G. Seniority

Laid off employees retain, but do not continue to accrue, seniority during the time they are on the recall list. Seniority is lost when the term of eligibility for recall expires.

H. Insurance

County paid insurance is discontinued on the last day of the month in which the layoff occurs. Laid off employees may continue to self-pay for health insurance benefits and coverage for up to eighteen (18) months, under certain conditions, if the employee pays the premium. Federal COBRA laws also apply to allow laid off employees to continue coverage.

I. Salary Administration

Upon reappointment from a recall list, an employee shall receive the same step in the salary range that the employee was on when laid off or demoted. The anniversary date of a recalled employee will be adjusted so that the time spent on layoff or in a lower level classification will not count toward merit increases.

ARTICLE 34 - NO STRIKE AND NO LOCKOUT

- 34.1 The Association agrees that during the life of this agreement there shall be neither strike nor work slowdowns.
- 34.2 During the term of this Agreement there will be no lockout of employees represented by the Association by the County. There shall be no lockouts on the part of the County nor suspension of work on the part of the employees. This Agreement is guarantee that for its duration, there will be neither strikes nor lockouts and that all complaints, grievances or disputes arising under its provisions will be settled pursuant to its grievance procedure.

ARTICLE 35 - SAVINGS CLAUSE

- 35.1 If any Article or Section of this Agreement or any addition thereto shall be held invalid by operation of law, or by any lawful tribunal having jurisdiction, or if compliance with or enforcement of any Article or Section should be restricted by such tribunal, the parties shall enter into immediate collective bargaining negotiations for the purpose of arriving at a mutually satisfactory replacement agreement under the terms of ORS 243.702. The purpose of the negotiations shall be to restore to the parties the benefits of the bargain reached by this Agreement before any section of this Agreement was declared unlawful or unenforceable. The parties agree that the labor agreement will not serve to restrict the County's obligation to comply with federal and state law concerning its duty to reasonably accommodate individuals with disabilities.

ARTICLE 36 – TRAINING

- 36.1 For classifications that have mandatory training, the County will maintain a mandatory training schedule for each fiscal year during the life of this Agreement. It is agreed that training will be provided by the Office and shall be required.
- 36.2 The parties recognize that flexibility in scheduling is needed to provide training to bargaining unit employees. An employee's work schedule may be changed on seventy-two (72) hours' written notice if such change of schedule is necessary due to unanticipated circumstances in order to provide the employee with a training opportunity which has previously been scheduled or on short notice becomes available. The seventy-two (72) hours' written notice may be waived by an employee.
- 36.3 For purpose of training, a short-term shift change may be required if an employee is scheduled to work before and/or after the training. The employee must have a minimum of eight (8) hours' rest between the training and the employee's regularly scheduled shift. If there is less than eight (8) hours between the training and the employee's regularly scheduled shift, the employee will be compensated at a rate of time and one half (1.5) for the number of hours under the eight (8) hour minimum rest period.

If training is less than four (4) hours, the employee will be compensated at a rate of time and one half (1.5) for the actual training time.

If the employee is scheduled to work before and after the training, one (1) of the following applies:

- A. If the training is more than four (4) hours and there are eight (8) or more hours between the end of the employee's regularly scheduled shift and the start of the training period, this training period will be considered a temporary shift change and the employee will be working the training shift in lieu of the employee's following regularly scheduled shift.
 - B. If the training is more than four (4) hours and there is less than eight (8) hours between the end of the employee's regularly scheduled shift and the start of training, the employee will not work the employee's shift closest to the training and will be compensated at a rate of time and one half (1.5) for the number of hours under the eight (8) hours minimum required between the training and the shift worked.
- 36.4 An employee's performance in training which is required and provided under this Article may be considered in periodic performance evaluations which may lead to loss of incentive pay.

ARTICLE 37 - DRUG TESTING

37.1 Statements of Principle

The County and the Union jointly recognize that the use of drugs and alcohol, whether on or off the job or for so-called “recreational” purposes or otherwise, which adversely affects job performance, constitutes a serious threat to the health and safety of the public, to the safety of fellow officers, and to efficient operation of the Office.

37.2 Preconditions to Drug Testing

Before any employee may be tested for drugs, the employer must meet the following prerequisites.

- A. All employees in the Association’s bargaining unit must be clearly informed of what drugs or substances are prohibited by the employer.
- B. Any drug testing policy which is applied to the members of the Association’s bargaining unit must be applied to all sworn personnel.
- C. The employer and the Association shall jointly select the laboratory or laboratories which will perform the testing.

37.3 Grounds for Testing

- A. Random drug testing of any kind is prohibited.
- B. The performance of drug testing by other than the taking of urine samples is prohibited, for purposes of this article.
- C. Drug testing is prohibited unless the employer possesses facts that give rise to a reasonable suspicion that an employee is currently or has recently been engaging in the use of illegal drugs.

37.4 Testing Mechanisms

The following testing mechanisms shall be used for any drug test performed on members of the Association:

- A. Any screening test shall be performed using the Radioimmunoassay (RIA) method. If the laboratory selected by the parties does not provide for RIA testing, then any screening testing shall be performed by Thin Layer Chromatography (TLC).
- B. Any positive results on the initial screening test shall be confirmed through the use of Gas Chromatography/Mass Spectrometry (GC/MS). If at any time there exists a test with a higher rate of reliability than GC/MS test, such test shall be used in place of the GC/MS test if requested by the Association.

37.5 Procedures to be Used When the Sample is Given

The following procedure shall be used whenever an employee is requested to give a urine sample:

- A. Prior to testing, the employee will be required to list all drugs currently being used by the employee on a form supplied by the employer. This form, and all documents and information concerning drug testing, shall remain confidential pursuant to the terms in Section 37.7 of this Article.
- B. A urine sample will be taken of the employee. The test shall be given in such a manner as to protect the authenticity and reliability of the sample and the privacy of the individual.
- C. Immediately after the sample has been given, it will be divided into two equal parts. Each of the two portions of the sample will be separately sealed, labeled, and stored in a secure and refrigerated atmosphere. One of the samples will then be sent or delivered to a testing laboratory mutually agreeable to the Association and the employer.
- D. The sample will first be tested using the screening procedure set forth in Section 37.4A of this Article. If the sample tests are positive for any prohibited drug, the confirmatory test specified in Section 37.4B of this Article will be employed.
- E. If the confirmatory test is positive for the presence of an illegal drug, the employee will be notified of the positive result within 24 hours after the employer learns of the results and will be provided with copies of all documents pertinent to the test sent to or from the employer by the laboratory. The employee will then have the option of having the untested sample submitted to a laboratory of the employee's own choosing. The employer will be given a copy of the results.
- F. Each step in the collecting and processing of the urine specimens shall be documented to establish procedural integrity and a chain of evidence.

37.6 Consequences of Positive Test Results

An employee who tests positive shall have the right to challenge the accuracy of the test results. Such employee shall be subject to unannounced testing for a period of one year following the inception of treatment. If the employee violates the terms of treatment or again test positive during such period, he/she shall be subject to immediate discharge.

37.7 Employee Rights

- A. The employee shall have the right to an Association representative up to and including the time the sample is given. Nothing herein shall restrict the employee's right to representation under general law.

- B. If at any point the results of the testing procedures specified in the Article are negative, all further testing shall be discontinued. The employee will be provided a copy of the results, and all other copies of the results (including the original) shall be destroyed within 24 hours after the test results have been received by the employer. All positive test results will be kept confidential, and will be available only to the Sheriff, one designated representative of the Sheriff, and the employee.
- C. Any employee who tests positive shall be given access to all written documentation available from the testing laboratory which verifies the accuracy of the equipment used in the testing process, the chain of custody of the specimen and the accuracy rate of the laboratory.
- D. If the results of the drug test are negative, the Association shall have the right to challenge whether reasonable suspicion existed for the ordering of the test. In such a case, the arbitrator shall have the power to fashion a remedy that is appropriate under the circumstances. If the results of the drug test are positive, neither the Association nor the employee shall have the right to challenge whether reasonable suspicion existed for the ordering of the test.

ARTICLE 38 - EFFECTIVE DATE AND DURATION

38.1 This Agreement shall be effective and retroactive to July 1, 2022 except as otherwise noted and shall remain in full force and effect until the 30th day of June 2025, and shall be automatically renewed without revision from year to year thereafter unless either party notified the other in writing that it wishes to bargain a successor Agreement. This Agreement shall remain in full force and effect during the period of negotiations.
