Sheriff's Deputies Search for "Lucky Dog Deli" Robbery Suspect

June 26, 2016—Washington County Sheriff's Deputies are searching for a man after he robbed a local business.

On June 25, 2016 at 9:27 p.m., Sheriff's Deputies were called to the Lucky Dog Deli at 4714 SW Scholls Ferry Road in the community of Raleigh Hills, concerning a robbery. Upon arrival, Sheriff's Deputies learned there was a man that robbed the 27 year-old male clerk at gunpoint. Sheriff's Deputies, assisted by Portland Police Bureau Officers, responded to the area to search for the suspect.

Sheriff's Deputies were told the robbery suspect came into the business and walked quickly towards the clerk who was behind the counter. The clerk told Sheriff's Deputies the man had a handgun and demanded the cash in the register. The employee gave the man a very small amount of cash and the man fled on foot. The employee was not injured.

Sheriff's Deputies searched the area with the assistance of a Sheriff's Office K9 with no success locating the suspect. There is the possibility a vehicle was used to flee the area. Investigators are reviewing surveillance video and other evidence. There is a still photo (inset) from the video that shows the suspect with a gun in his hand.

It was reported that the Portland Police Bureau was investigating a similar robbery that occurred less than a half mile away, a few hours prior to this robbery. Both robberies had many similarities, and it is possible they were committed by the same man.

The man was described as a dark skinned black male, in his 20s with a thin build. He was reported to have a beard and he was wearing a black hoody and camouflage colored shorts. Witnesses reported the man walked with a distinctive limp on his right side.

Deputies are seeking the public's help regarding this case. If you have any information, please call the Washington County Sheriff's Office at (503) 846-2700.
