Impaired Driver Crashes Into Home, Injures Two Passengers

December 28, 2017 – An impaired driver crashed into a house in the Cedar Hills community early this morning. Two passengers were transported to a local hospital with injuries.

On December 28, 2017, at 1:37 a.m., Washington County Sheriff's Office deputies responded to a single vehicle crash into a residence in the 10700 block of Southwest Walker Road in the Cedar Hills community.

When deputies arrived, they found a silver 2016 Honda Odyssey van with its back end resting on the side of a home just off the roadway.

During the investigation, deputies learned that the Honda was traveling westbound when it left the roadway, struck a tree, spun around and came to rest on the outside of the home.

Deputies observed signs of alcohol impairment from the driver, 21-year-old Ezana Tedros of Manteca, California. Mr. Tedros was arrested on charges of driving under the influence, two counts of assault in the fourth degree, and two counts of criminal mischief in the second degree.

Two passengers in the vehicle, ages 24 and 21, were transported by Metro West Ambulance to a local hospital with non-life-threatening injuries. Occupants inside the home were not injured. Tualatin Valley Fire & Rescue responded and assisted. A tow truck was called to remove the vehicle from the house.

This holiday season, the Washington County Sheriff's Office has partnered with the National Highway Traffic Safety Administration (NHTSA) for the national "Drive Sober or Get Pulled Over" enforcement campaign to help keep impaired drivers off the road. The campaign began on December 13 and runs through the New Year.
